Re: DEMONSTRATIONS BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS

King was the featured speaker, calling in his remarks for adherence to the principle of non-violence within the civil rights movement and referring in critical fashion to the position of some segments of the civil rights movement which today are calling for a more militant approach to the solution of civil rights problems. He advised that the SCLC would continue to advocate non-violence in all its activities, but believed that the SCLC would "open up" Chicago in the area of housing for Negroes. King was critical of Chicago's Mayor Richard J. Daley in the housing area stating that there has been an open occupancy ordinance on the books in Chicago for years but that no action has been taken to implement it.

King stated that there would be a civil rights march in the Gage Park - Chicago Lawn area on the following day, August 5, 1966, and that he was hopeful that as many as 1000 persons would assemble at this church to participate in the march to various realty firms in the area of 63rd Street, Chicago. These firms allegedly are guilty of housing discrimination against Negroes.

[redacted] advised that it was his understanding that Reverend Troy Freeman, Pastor of the New Friendship Baptist Church, had planned to serve notice on King's group that they would not be able to use the facilities here as headquarters for future activities in this area, however, [redacted] advised that there was no evidence at the time of this meeting that any such notice had been given, noting plans to use the church as headquarters for the march on August 5, 1966. b7(D)

C [redacted] advised the Chicago Office as follows, during the evening hours of August 4, 1966, concerning the planned march of August 5, 1966, by the CFM-SCLC: b(1)

Re: DEMONSTRATIONS BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS

The demonstrators will gather during the early afternoon of August 5, 1966, at the New Friendship Baptist Church, from where they will proceed by motorcade to Marquette Park in the vicinity of 71st Street and Kedzie Avenue (3200 West). After assembling in Marquette Park, three groups of some 25 to 50 demonstrators each will be dispatched to three different real estate offices in the Chicago Lawn area where they will demonstrate and engage in a prayer vigil from forty-five minutes to an hour. These three real estate firms are as follows: The Rio Realty Company, 2733 West 63rd Street; the Geissler Realty Company, 2749 West 63rd Street; and the Mack Realty Company, 3018 West 63rd Street.

Note that the Chicago Lawn area referred to previously is immediately adjacent to the Southern boundary of the Gage Park neighborhood, encompassing a general area of 55th Street South to the area of Marquette Park in the vicinity of 71st Street. Chicago Lawn has the same general East-West boundaries as does Gage Park.

[REDACTED] that at approximately 5:30 p.m., those individuals remaining in the assembly area at Marquette Park will march to the area of 63rd and California Avenues where they will meet those individuals who are engaged in demonstrating at the three different real estate concerns. From here the entire group, to be lead by King, will proceed to the Halverson Realty Company, 3145 West 63rd Street, where another vigil and prayer session will beheld. From here the group will return South on Kedzie Avenue to Marquette Park, will proceed from Marquette Park to the New Friendship Baptist Church, where it is assumed that they will disperse. b(1)

Regarding activities of Martin Luther King, Jr. on August 4, 1966, [REDACTED] b7(D)
[REDACTED] advised that King, with Andrew Young, of the SCLC and Al Raby, Convenor, Coordinating Council on Community Organization (CCCO), had met on August 4, 1966, with Chicago's six Negro aldermen. [REDACTED] was aware only that King had stated

Re: DEMONSTRATIONS BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS

during this meeting that there was to be a SCLC demonstration in the Gage Park area of Chicago on August 5, 1966. Concerning King's meeting with those individuals referred to above, the "Chicago Sun Times," a daily Chicago newspaper, edition of August 5, 1966, advised that King had met with these political leaders of the Negro community for some three hours. Generally discussed had been King's "open-city demands" made previously and after this meeting, King and these political leaders stated that they planned to hold future such sessions to discuss Chicago's problems, the second meeting scheduled for August 25, 1966.

The article continued that in a joint press conference after the meeting, the civil rights and political figures declined to discuss the substance of their talk but stated that substantial agreement was reached on the need for such matters as open-occupancy legislation, availability of bank loans to Negroes and greater control over building standards. The political leaders were said to have agreed that public housing in the future should be dispersed throughout the city and not concentrate in ghetto neighborhoods. It was also reportedly stated that unions, businesses, and governmental agencies should publish racial head counts of their employees.

Reference is made at this point to information in Chicago memorandum of August 4, 1966, to the effect that information was furnished to the SCLC in Chicago by [REDACTED] which information was subsequently provided to Chicago Office by a confidential source, a representative of another government agency. In substance this information alleged that the National States Right Party (NSRP) has been recently active in the Gage Park area of Chicago, attempted to incite the white residents here, with an allegation that NSRP representatives have been trying to get Gage Park citizens to arm themselves, are soliciting orders for handguns, which orders are then placed by the NSRP with the Blue Island gun shop in Blue Island, Illinois. b7(c)

Re: DEMONSTRATIONS BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS

In connection with the above on August 3, 1966,
[REDACTED] Blue Island Gun Shop, Incorporated
3026 West 127th Street, Blue Island, Illinois, advised to
Special Agents of the Federal Bureau of Investigation as
follows:

[REDACTED] gun shop has made no excessive sales of handguns,
hunting weapons, or ammunition to any one individual or
organization during the past few weeks or months. Guns of
various caliber have been purchased on a one or two gun basis
but have not gone to any particular area of Chicago or to any
particular Cook County, Illinois community.

[REDACTED] advised that during the racial disturbances
which took place in Chicago in mid-July, 1966, gun sales did
increase for a few days, but then subsequently returned to
normal. Sales were made to both Negroes and caucasians with
most of the sales to police officers and to persons bearing
responsible identification. b7(D)

[REDACTED] continued that gun orders are not filled by
mail and that if a person or his identification is questionable,
no sale is made or he is required to obtain a police permit
and then the gun is sold and shipped by United Parcel to that
individual at the address given. Records are kept on all
gun sales. [REDACTED] advised that any undue increase in the sales
of handguns, or any suspicious request for firearms made to
his company will be promptly reported to the Federal Bureau of
Investigation and appropriate local authorities.

On August 4, 1966, Raymond Sowa, Vice-Chairman,
Chicago branch NSRP, was interviewed by Special Agents of the
Federal Bureau of Investigation. Sowa advised that the NSRP in
Chicago is not attempting to have citizens arm themselves although
several NSRP members have personal weapons of their own for
personal use and protection. He denied that the NSRP has pur-
chased any guns from any gun shop in Blue Island, Illinois and
stated that the NSRP plans no organized activities in the Gage
Park area, although it is possible that individuals and NSRP
members or sympathizers may distribute NSRP literature whenever
civil rights groups have demonstrations. He added that literature

Re: DEMONSTRATIONS BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS

is sent to many persons in Chicago by the NSRP, which literature may subsequently be distributed at such demonstrations. He advised that the NSRP has no plans to "get Martin Luther King" because it is obvious that if King was eliminated from leadership of the civil rights movement, he would only be replaced by someone else. Sowa added that the NSRP feels that riots and disturbances which have taken place in Chicago and elsewhere are being caused by Negroes. Such incidents must be stopped by having white people unite to have the whites protected and to have Negro agitators prosecuted.

On August 4, 1966, [REDACTED] who claimed

[REDACTED] was contacted by Special Agents of the Federal Bureau of Investigation. Breneman advised that he had attended one NSRP meeting at the NSRP Office, 2237 North Western Avenue, Chicago, and at this meeting he had learned that the NSRP has a source in "King's group" in Chicago to keep track of their activities. This NSRP contact provides the NSRP with foreknowledge of the plans of King's group for demonstrations, the NSRP then precedes the SCLC into the area where they proceed to distribute their literature prior to and during marches. He stated during this interview that he had learned through his contact with the NSRP that NSRP members were believed to be purchasing weapons at the Blue Island Gun Shop in Blue Island, Illinois for personal protection. [REDACTED] denied knowledge of mention made at any NSRP meeting of use of force by the NSRP against King or any other SCLC members of civil rights leaders. b7(D)

[REDACTED] stated he has participated in SCLC marches but none in Gage Park. It was his understanding the NSRP was active in distributing leaflets in Gage Park and in soliciting new members there, capitalizing on extreme tension in the area. He denied knowledge of NSRP attempts to incite Gage Park residents to resist future marches with arms or violence. He continued that he attended NSRP meeting to determine their activities as

Re: DEMONSTRATIONS BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS

he considers the NSRP a threat to [REDACTED] to civil rights groups,
and other unnamed organizations. He stated he intended to
furnish the above information in substance to the SCLC in
Chicago, but stated that he had not made any contact with the
SCLC to date. He stated he had attended no other NSRP meetings
[REDACTED] b7(D)

The NSRP is characterized on the attached appendix
page. Sources used are reliable.

Pertinent portions of the above information have
been provided, on August 4 and August 5, 1966 to representatives
of Secret Service, Chicago, Office of the United States Attorney
and Region I, 113th INTC Group, Evanston, Illinois.

This confirms information furnished orally to
Mr. Theodore Kleinman of the Criminal Division on 8/4/66.

NATIONAL STATES RIGHTS PARTY
CHICAGO, ILLINOIS

A source advised on February 8, 1966, that the Chicago Branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago Branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

RAYMOND LEO SCHULTZ, an organizer for the Chicago Branch of the NSRP, resides at 2237 North Western Avenue, Chicago.

This source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, North Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt" reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

PARK AREA, CHICAGO, ILLINOIS
RACIAL MATTER

Reference is made to Chicago memorandum dated
August 3, 1966, under the above caption.

[REDACTED] advised the Chicago
Federal Bureau of Investigation Office on August 3,
1966, that his unit has learned that at 1 p.m.
on this date, it is planned that 50 demonstrators,
primarily under the sponsorship of the Southern
Christian Leadership Conference (SCLC), will leave from
the Warren Avenue Congregational Church, 3101 West
Warren Avenue, Chicago to proceed to the vicinity of the
Parker - Finney Real Estate Company, 5043 West
Fullerton Avenue, Chicago. [REDACTED] advised that it
is anticipated that some 250 additional demonstrators
will visit other real estate offices in the same area,
however, there is no specific information available
concerning those offices to be visited. In previous
demonstrations here, the purpose of these protests was
that of opposition to alleged housing discrimination
in the area against Negroes, primarily on the part of
real estate concerns operating in the northwest section
of Chicago commonly referred to as the Belmont - Cragin
area.

Bureau of Investigation Office as follows:

At approximately 3:15 p.m., on August 3, 1966, a group of some 40 demonstrators departed the Warren Avenue Congregational Church and proceeded to two locations generally in the Belmont - Cragin area of Chicago's north side. These addresses were that of the Heinemann Realty Company, 5457 West Diversey Avenue, and the Mc Carthy Realty Company, 2835 North Laramie Avenue. The demonstrators split into two groups of approximately 20 each and began demonstrating at these locations at approximately 4 p.m.

The demonstration at these two addresses terminated at approximately 5 p.m. with these two groups proceeding to Central and Fullerton Avenues, where they joined another larger group of demonstrators. From there the demonstrators, numbering approximately 250 persons, approximately 50 per cent Negro, proceeded to the Parker - Finney Real Estate Offices arriving there shortly after 6 p.m. The offices of this firm were closed, the demonstrators remained there without incident until approximately 7:15 p.m., although some 500 to 1000 white neighborhood onlookers viewed the demonstration. The demonstrators then proceeded to march to Hansen Park, where automobiles were located and during the course of this portion of the demonstration, at various points along the route to Hansen Park, were the victim of rocks and assorted other missiles thrown by groups of young white teenagers, some numbering as many as 150 to 300 persons. Police department personnel on hand at this point began making arrests of those guilty of these and related acts of violence, a total of some 17 white adults and three white juveniles taken into custody. These individuals were charged with disorderly conduct, resisting arrest, and obstructing traffic, and are to appear in local Municipal Court on August 4, 1966. At this point, identities of those individuals placed under arrest were not available to [REDACTED] b7(D)

Shortly prior to 8 p.m., the demonstrators succeeded in clearing the area, departed Hansen Park

RE: DEMONSTRATION BY CHICAGO FREEDOM
MOVEMENT (CFM) - SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC), GAGE
PARK AREA, CHICAGO, ILLINOIS

and returned to their original meeting place, 3101 West Warren Avenue, Chicago. A rally was held here with those present being advised that a meeting was to be held the following day, 8 p.m., at the New Friendship Baptist Church, 844 West 71st Street, Chicago, Illinois. Doctor Martin Luther King, Jr. would discuss plans relating to another march into the Gage Park area of Chicago on either August 5 or August 6, 1966.

The "Chicago Sun Times", a daily Chicago newspaper, edition of August 4, 1966, contained an article concerning the demonstration and brief disturbance of the previous evening in the Belmont - Cragin area stating that police and taunting whites had engaged in a shoving match during the course of the demonstration through the Belmont - Cragin area by some 250 civil rights marchers. The marchers were protected by some 200 police officers who cleared the way for them during the course of the march often through crowds of onlooking neighborhood whites. One of the policemen involved, was subsequently treated at St. Anne's Hospital, nearby, for minor injuries after he was struck on the back and arm by rocks thrown by some of these onlookers.

[REDACTED] b7(D)
[REDACTED] in comparing the recent west side Chicago riots with the two days of activity in Belmont - Cragin stated "On the west side those people were intent on property, here there're intent on getting people. . . if we don't put them down now, it will be out of our hands before we know it."

The article continued that after the marchers returned to the Warren Avenue Church, the Reverend Jesse Jackson, who together with Reverend James Bevel had lead the march, announced that Doctor King would lead a march to the Chicago Lawn area during the coming weekend (note the Chicago Lawn area is located south of and immediately adjacent to the Gage Park area on Chicago's southwest side).

Bevel stated at the church that it was not certain at this point when the demonstrators would return to the Belmont - Cragin area, noting that there are some 20 or more

other communities in Chicago just like it which need attention. He advised that they were to be no demonstrations on the part of the CFM - SCLC groups on the following day, August 4, 1966.

[REDACTED] advised the Chicago Federal Bureau of Investigation Office on the morning of August 4, 1966, that during the CFM - SCLC demonstration in Belmont - Cragin the previous evening, a four-page flier had been distributed to white residents by representatives of the American Nazi Party (ANP). The flier was headlined, in part, "WHITE MEN ORGANIZE WHITE GUARD", "WHITES MUST FIGHT", and the like. This literature also advised about courses in "Anti-Insurrection Warfare" and contained a mailing coupon for persons desiring to "fight the blackmen."

In connection with ANP activities in this matter, [REDACTED] advised on August 4, 1966, that information has been developed by the Chicago Police Department that the head of the local Chicago ANP group, on orders of Commander George Lincoln Rockwell, ANP, will organize a counter-picket in the Gage Park area if SCLC marchers appear there over the coming weekend. Rockwell was in the Chicago area over the weekend of July 29 - 30, 1966. A characterization of the ANP is attached to this memorandum. b7(D)

On the evening of August 3, 1966, [REDACTED] advised the Chicago Federal Bureau of Investigation Office [REDACTED] the Parker - Finney Real Estate Company, which has been picketed the last several days by civil rights demonstrators. [REDACTED] has been advised by [REDACTED] that during the evening of August 3, 1966, he received three anonymous telephone threats, one stating "don't count on tomorrow" and another stating in effect "you're going to get killed." One of these calls was made prior

to the August 3, 1966, demonstration at company offices
and the other two were made subsequent to the demonstration.
[REDACTED] advised that [REDACTED] was unable to furnish
any information which would assist police in leading
to the identification of these callers. b7(D)

On August 3, 1966, a confidential source, a
representative of another government agency, advised

In connection with [REDACTED] above, it might be noted that the May 23, 1966, edition of the "Chicago American", a daily Chicago newspaper, reflected that 25 persons had been arrested during a sit-in at Roosevelt University in Chicago. The sit-in was in protest of a expanded draft in the Armed Forces. The article identified one Philip Breneman, age 21, address 2133 Larrabee Street, as chairman of a north side chapter of SDS. SDS was involved in the sponsorship of this sit-in, however, Breneman was not one of those individuals arrested.

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1962, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second source advised on January 6, 1966, that the Chicago branch of the ANP is currently located at 1314 West Ohio Street, Chicago, Illinois.

RAYMOND LEO SCHULTZ, an organizer for the Chicago Branch of the NSRP, resides at 2237 North Western Avenue, Chicago.

This source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

Re: Communist Influence in
Racial Matters
Internal Security - C

A confidential source, who has furnished reliable information in the past, advised on September 6, 1966, that a conference was held on that date by Martin Luther King, President of the Southern Christian Leadership Conference (SCLC). It included, in addition to King, Stanley Levison, Harry Wachtel, Lawrence Reddick, Cleveland Robinson (Secretary-Treasurer of Local 65, Retail, Wholesale and Department Store Workers, American Federation of Labor - Congress of Industrial Organizations, AFL-CIO), Bayard Rustin (Organizer of the March on Washington), Clarence Jones, Junius Briggs (Phonetic), Ralph Cranston (Phonetic) and Walter Thorcase (Phonetic).

The conference was called to hear and discuss a letter over King's signature which is scheduled to be distributed to the Negro youth of America. The letter, which was actually written by Rustin, implores the Negro youth of America to adhere to non-violent tactics in trying to obtain equality.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Rustin said the letter would be read on the National Broadcasting System on Monday, September 12, 1966, and will be mailed to two categories: (A) Boys Clubs, Boy Scouts, Girl Scouts, settlement houses, basketball teams and other organizations where Negroes between the ages of 16-25 can be reached; (B) Negro ministers, Negro Press, Negro college presidents, high school principals, fraternal organizations and to unions with large membership. Rustin said King should not read the letter alone, but instead, should have A. Philip Randolph (President of the Negro American Labor Council, NALC) present in order to protect King from fallout. Rustin said not many people dared attack Randolph.

The following, in essence, is what the letter states:

King said he was writing not as a civil rights leader, but as a father deeply concerned about the future of his own children. Not since the time he joined the Freedom Movement had he ever felt so much grief, he observed. As the new school term opens, King noted, many of the youth of America desire to go to school but have insufficient resources with which to do so. And in this regard, King remarked that only yesterday, September 5, 1966, he wired President Johnson urging him to make available enough funds so that all poor young persons in the country could return to school.

King notes in the letter that he also urged the President to place before Congress a bill to create public works to provide meaningful employment for every able-bodied young person who needs it, whatever his present skills, his training, his color, may be. King said he was convinced that the tragic ordeals we had passed through this summer were the results of the fear, the frustration, and the hopelessness on both sides that springs from our nation's failure to make it possible for all youth, especially Negroes, to obtain quality integrated education and dignified work.

Continuing, King said, the progress which has been made in race relations was derived from demonstrations which were free of bitterness, hatred and violence. We King said, must not let a tiny minority of hateful bigots provoke us into emotional behavior, into actions which would destroy our movement and would separate us from others in society whose help we sorely need. We, King continued, must not fall into this racist trap. He implored the Negro youth to whom he speaks in the letter, to remember that Molotov cocktails, looting and hating cannot, and will not, solve the problems we really care about.

In conclusion, King urged the youth to be prepared to use their energy in non-violent mass action protests in their community.

Following Rustin's reading of the letter, King said the letter should also be aimed at the white people. He said to do otherwise, could result in him being branded as an "Uncle Tom".

Stanley Levison said he did not like the statement that King had contacted President Johnson about unemployment and jobs. His objection was over the fact that King had already asked the President about 90 times, although nothing has come of it. As an alternative, Levison said President Johnson should be "threatened" by stating that if no action is forthcoming by May, 1967, King and Randolph would have a march on Washington. Levison's suggestion was not well received by the other conferees. In fact, as an alternative, Cleveland Robinson wanted something about the Peace Movement included in the letter. He said the peace issue was a basic issue in view of the many Negroes in Vietnam.

Harry Wachtel suggested King hold a meeting in the next three or four days to plan the letter more objectively. Austin said he would dress up the letter before King's arrival in New York City on Sunday night.

A confidential source, who has furnished reliable information in the past, said that he met Lawrence Dunbar Reddick in 1943, through Eugene Gordon, a staff member of the "Daily Worker" and that both Gordon and Benjamin J. Davis advised him that Lawrence Dunbar Reddick was at that time a member of the CP. The source said that Reddick was an instructor at the George Washington Carver School.

The "Daily Worker" was an east coast communist newspaper, which suspended publication on January 13, 1958.

The George Washington Carver School has been designated by the U.S. Attorney General pursuant to Executive Order 10450.

On February 5 and 11, 1954, Lawrence Dunbar Reddick was interviewed by Special Agents of the Federal Bureau of Investigation at Atlanta, Georgia. He, at that time, stated that he was not, and had never been, a member of, or a sympathizer with, the Communist Party.

A confidential source, who has furnished reliable in the past, advised that on January 18, 1964, Dr. Lawrence Reddick visited with Benjamin J. Davis at the home of Jacob Green, State Chairman of the CP in Maryland. During conversation between Reddick and Davis, it was mentioned that they had attended school together in Georgia, and Reddick commented that if he had stayed with Davis, he would have also joined the CP. 5

Communist Influence In Racial Matters

In "The Saturday Evening Post", issue of July 11-13, 1964, page 76, Bayard Rustin is the subject of a feature article captioned: "The Lone Wolf of Civil Rights". In it, Rustin is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party". Furthermore, the article reports that during his first years in New York, Rustin gave most of his earnings to the "Party". He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker", February 11, 1957, page 1 column 2, reported that Bayard Rustin, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America (CP, USA), held in New York City, on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.

Another confidential source, who has furnished reliable information in the past, advised on February 19, 20, 1964, that Bayard Rustin contacted Benjamin J. Davis on those dates

and sought his advice as to how he could escape from a speaking engagement to which he was committed. On the latter contact, Davis told Rustin that he was working on his request and had contacted friends who had contacts with the group to which Rustin was to speak.

A confidential source, who has furnished reliable information in the past, advised on January 21, 1964, that as of that date, Benjamin J. Davis was National Secretary of the CP, USA.

"The New York Times", August 24, 1964, page 27, column 4, reports that Benjamin J. Davis, National Secretary, CP, USA, died in New York City on the night of August 22, 1964.

The meeting will commemorate the retirement of Reverend D. C. Rice from the Pastorate of Union Baptist Church, Montclair, New Jersey

b7(c) [REDACTED] further advised that George Demetry, Public Relations Officer of the organization known as Truth About Civil Turmoil (TACT) had made arrangements for TACT members to hold an assembly in a small park area located at Park and Chestnut Streets, Montclair, New Jersey, on September 11, 1966, beginning at 1:00 pm and continuing until King leaves the high school. This park area is located approximately 150 to 200 feet away from the auditorium where King is to speak. [REDACTED] expects approximately 200 members of TACT to participate in this assembly. The TACT members will carry posters and signs, but no speeches are planned by this group.

The "Newark Evening News", September 8, 1966, page 21, published daily at Newark, New Jersey, printed an article wherein it was stated that a spokesman for TACT claimed that 500 persons will silently picket Doctor King and will distribute hand bills offering a \$1,000 reward to persons who can disprove the authenticity of the photograph showing Martin Luther King, Jr., in attendance at "The Highlander Folk School in Monteagle, Tennessee, a communist training school, during the Labor Day week-end of 1957."

The following information was supplied by a confidential source of this Bureau who has furnished reliable information in the past.

Martin Luther King, Jr., President, Southern Christian Leadership Conference, on September 6, 1966, conferred with several individuals including his principal advisors, Stanley Levison, Lawrence Reddick, Harry Wachtel, Bayard Rustin, and Clarence Jones.

The purpose of the discussion was to consider an open letter Rustin had prepared over King's signature for distribution to Negro youth. The letter implored Negroes to adhere to nonviolent practices to gain equality. King commented the letter should be aimed at white people as well, otherwise he would be called an "Uncle Tom."

Levison disagreed with a statement in the letter which pointed out that King on September 5, 1966, had wired President Johnson and urged he provide funds for poor school children and to create public works for youth needing meaningful employment. Levison said President Johnson had been asked "ninety times" for jobs but nothing had come of it. Therefore, the time had come when King should threaten President Johnson that if no action is forthcoming by May, 1967, a march on Washington would be organized.

Participants were unable to agree on a final draft of the letter. Rustin stated he would put the finishing touches on the letter for King's approval when King returns to New York City on September 11, 1966.

According to the source, the letter will be read on the National Broadcasting Company on September 12, 1966.

CHICAGO, ILLINOIS
RACIAL MATTER

On September 1, 1966

[REDACTED] advised a representative of the Chicago Office of the Federal Bureau of Investigation that Dr. Martin Luther King, head of the SCLC, spoke at the Liberty Baptist Church, 4849 South Parkway, Chicago, during the evening of August 31, 1966, to an audience of approximately 2,000. Dr. King called the economic problem presently facing the Negro, the fundamental problem facing him. King said that the Negro's past significant victories in housing must be complemented with economic victories. b7(D)

[REDACTED] stated Dr. King's speech was interrupted by hecklers, who shouted "Black Power." King invited the spokesman for these hecklers to take the microphone and address the audience. Monroe Sharp, Director of the Chicago Chapter of the Student Non-Violent Coordinating Committee came forward to the podium,

took the microphone and chided those in the audience not to deal with Mayor Daley of Chicago because dealing with Mayor Daley means you are giving in to the economic power structure. According to Sharp Negroes should ultimately turn Daley out of office. Sharp further called upon Negroes to deal with the problems in their own areas before they go marching into other communities. Inasmuch as we (Negroes) want the right to stand on our own corner and call it ours.

[REDACTED] pointed out that no incidents arose around Sharp's speech and that Sharp received only scattered applause. Rally leaders did not challenge Sharp's remarks. Upon regaining the microphone Dr. King told Sharp his views were misguided. b7(D)

[REDACTED] related the meetings major message was that now the Chicago Freedom Movement was going after economic goals. The rally ended without any disorders, incidents or arrests, according to [REDACTED]

The "Chicago Tribune" newspaper, September 1, 1966, issue, carried an article entitled "King To Shift Emphasis To Job Protests." This article reflected in part:

The Reverend Martin Luther King, Jr., head of the Southern Christian Leadership conference, indicated last night that his Chicago Freedom movement will shift its major emphasis from housing to better jobs for Negroes.

Speaking before more than 2,000 persons at a rally in the Liberty Baptist church, 4849 South Parkway, Dr. King called the economic problem of the Negro "the fundamental problem facing him," and said, "Our past significant victories (in housing) must be complemented with economic victories."

He said he will support the organization of unions in commercial and industrial firms which "employ Negroes in underpaid jobs."

URGES STRONG UNION

"Where Negroes are confined to the lowest paying jobs, they must get together to organize a union in order to have the kind of power that could enter into collective bargaining with their employers," he said.

Dr. King indicated he was willing to stage mass demonstrations should firms fail to recognize such unions.

"It may be necessary for 1,000 or 2,000 of us to go into a store and say we are going to try on clothes all day long," he warned.

The "Chicago Tribune" newspaper, September 1, 1966, issued, carried an article entitled "Heckler Tries, Fails to 'Overcome' King." This article reflected in part:

King and other leaders of the Chicago Freedom movement gave a preview of things to come now that a fair housing pact has been reached.

They announced this lineup of direct action activities planned in Chicago:

1. The organization of employees in all major stores on State Street and Michigan Avenue.
2. Aiding Negro property owners who are being re-located by urban renewal projects to obtain fair market values for their homes.
3. Stepping up rent strikes against landlords who do not improve their property.

Reference is made to Chicago memorandum dated September 1, 1966, bearing above caption.

[REDACTED] b7(D)
[REDACTED], advised at 1:40 p.m. on September 1, 1966, that Martin Luther King and Jesse Jackson of the Southern Christian Leadership Conference (SCLC), Chester Robinson (WSO) and Frank Ditto (OCCI) met at 11:00 a.m. at 1527 West Roosevelt Road, Chicago, Illinois. This is the headquarters of WSO. Following the meeting, in joint press conference, King announced WSO would not march in Cicero Sunday, September 4, 1966. This announcement was confirmed in the press conference by Robinson. Representatives of CORE and the Student Non-Violent Coordinating Committee were not present and their plans were then unknown.

[REDACTED] b7(D)
[REDACTED] advised an agent of the Chicago Office of the Federal Bureau of Investigation at 2:25 p.m. on September 1, 1966, that Robert Lucas, chairman of the Chicago Chapter of CORE, had telephonically advised that CORE was the only organization marching in Cicero on September 4, 1966. Lucas reportedly stated he intended to pick up as many persons as possible for the march. [REDACTED] said no parade permit was issued but if Lucas continued to plan the march a permit would be issued to CORE after 10:00 a.m. September 2, 1966. [REDACTED] indicated the permit would be issued upon Governor Otto Kerner's insisting upon it as a pre-requisite to ordering out the National Guard.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

[REDACTED], advised
on September 1, 1966, that Robert Lucas during an interview
on the same date stated CORE would march Sunday, September 4,
1966, in Cicero with or without a parade permit even if the
National Guard were not called for duty in Cicero. Lucas
stated he did not know who was going to march since he could
speak only for CORE. He stated he expected 1,000 marchers
and anyone who wanted to march was welcome. He did not
name any other organizations who would join CORE. He stated
in referring to Martin Luther King that King can talk all he
wants against the proposed CORE march but that CORE will march. b7(D)

The "Chicago Sun-Times" September 2, 1966, contained
an article reporting that Chester Robinson and Frank Ditto
announced a change in their plans in that they said they would
"postpone" a demonstration in Cicero on September 4, 1966.
This announcement was made after their meeting with Martin
Luther King in Chicago. The article quotes Christy Berkos,
Cicero City Attorney, saying "Lucas (Robert Lucas CORE Chicago
Chapter chairman) promised me that it would be a non-
violent march and that anybody with arms will be eliminated
from his group. Lucas told me anybody who goes along must
dance to his music. If (Governor) Kerner calls out the Guard
(Berkos) will issue a permit." Ditto is reported as seconding
the announcement of the postponement and said his organization
(OCCI) will call off plans to visit Cicero churches Sunday.

Dear Mr. Hoover-

In the Butler County American- Hamilton, Ohio,- for August 27 there is a picture of a group at a Communist Training School which shows what reports to be a picture of DR. Martin Luther King in attendance at the school at Monteagle, Tenn.

Please tell me whether this is possible- Was he there? and has he ever been a member of any Communist group?

Mrs. Brown Says King's Group 'A Front for Communist Cause'

By KINNON McLAMB

If you can imagine the Paul Revere story recast with a Negro woman in the leading role, you're beginning to get the scene in a conference room Friday at the Sir Walter Hotel.

All you have to do is substitute the Reds for the Redcoats, and the bright lights of television cameras for the moonlight of a Massachusetts countryside, and the script is complete.

Mrs. Julia Brown came all the way from Massachusetts to warn Raleigh that the Reds are coming. They are found wherever the civil rights movement is most active, she said, and the civil rights movement will become quite active here Sunday when Dr. Martin Luther King speaks at Reynolds Coliseum.

Mrs. Brown, soon after her arrival, gave a press preview of an address she made Friday night at Memorial Auditorium on the topic, "Martin Luther King and His Communist Affiliations."

She was introduced by Dr. LeRoy Allen, head of the local Truth About Civil Turmoil (TACT) committee, which sponsored her visit.

Mrs. Brown, a plump but neatly attractive matron of light complexion, spoke casually as she outlined a career that, she said, has made her well versed in Communist activities in the United States.

She joined a civil rights organization in 1947 and discovered the next day that her membership card bore insignia of the Communist Party. After nine months, which included a Communist school that taught hatred of employers, she reported her experiences to the Federal Bureau of Investigation.

In 1951 she rejoined the group at the FBI's request, and was an undercover agent for nine years. In 1962, she read to the House Un-American Activities Committee the names of 120 persons she said were communists.

The smile and the casual manner yielded to fervor when Mrs. Brown was questioned on her topic of the day.

Martin Luther King is "not only an enemy to our country, but an enemy to the Negro people," she said.

"I'm not here to make wild statements and accuse innocent people of being Communists," she said. "He is following the Communist line, he's just as dangerous as any Communist."

"He is being used by the Communist Party, and in turn he is using uninformed Negroes."

Later she added, "He is not a Communist dupe; he knows what he's doing."

She was asked to clarify the charge of King's Communist "affiliations," and gave the names of three northern states she said are Communist strongholds of the civil rights movement.

"The Southern Christian Leadership Conference (SCLC) is a front," she said. "It is a Communist front."

"You're not going to get on the spot," she said, as she quoted a man who pursued the documentary evidence and got involved in a mail libel suit.

Mrs. Brown said that her speaking tour is sponsored by an affiliate of the SCLC in Belmont, N.J., which is not "supported" by the city.

"I'm not a Communist," she said. "I'm an American who believes in the rights of Americans to live in peace."

Dr. Allen said that in a meeting last week, he and his associates, including the SCLC, "though we have several other members have joined individuals."

Mrs. Brown said that violence is the result of civil rights activity, and she goes.

OPPOSE:

INTEGRATION

Because the Bible says: "(God) hath made of blood all nations of men for to dwell on all face of the earth, and hath determined the times before appointed, and the BOUNDS OF their HABITATION." Acts 17:26

CIVIL DISOBEDIENCE

Because the Bible says: "Submit yourselves to every ordinance of man for the Lord's sake; . . . As free, and NOT USING YOUR LIBERTY as a CLOAK OF MALICIOUSNESS, but as the servants of God." 1 Peter 2:13-16

MARTIN LUTHER KING

Because RIOT, BLOODSHED, DISORDER, CONFUSION follow him and his associates. The circumstances of the Negro are worsened, not helped by him. The Communist cause is promoted.

ARE NOT OPPOSED TO THE BETTERMENT OF THE NEGRO, EQUAL OPPORTUNITIES, AND HIS EQUAL RIGHTS.

Because of rumors and charges going about, I would like to
have a few questions answered:

1. Is Dr. Martin Luther King a Communist?
2. Has J. Edgar Hoover publicly called him a Communist?
3. Has Dr. King ever been a Communist?
4. Is he in any way connected with Moscow?
5. Is the National Association for the Advancement of Colored
People a Communistic organization? Is it "Infiltrated"?
6. Which of the organizations working for equal rights for
negroes are Communistic or so inspired?

If you do not answer questions for individuals, where could
I obtain answers to the above questions?

Thank you very much.

MARTIN LUTHER KING, JR.

The "Illinois State Register", a daily newspaper published at Springfield, Illinois, in the issue printed August 24, 1966, had the following front-page article:

"King Expected Here Sept. 24

"Dr. Martin Luther King, Jr., chairman of the Southern Christian Leadership Conference, is expected to be in Springfield Sept. 24, for an address at the Illinois Associated Press luncheon at the Statehouse Inn.

"Dr. King, leader of the recent demonstrations for open housing in Chicago, said if he is called away by another appointment, his substitute will be the Rev. Andrew J. Young, King's chief aide. Young is executive director of the SCLC and also active in the Chicago marches.

"There will be a question and answer period following the speech."

Dear Mr. Hoover;

Recently I was astounded when
my pastor read at great length an article by
Mr. Martin Luther King.

Did I not read where you said
that he had connections with the Communist party
and was the biggest liar in America.?

Am I right in thinking this

Memorandum

TO : The Director

DATE: 8-26-66

FROM : N. P. Callahan

SUBJECT: The Congressional Record

Pages 19885-19886. Congressman Andrews, (D) Alabama, spoke concerning an article written by Peter H. Prugh entitled "Selma in Chicago?—Civil Rights Marchers Hit A Nerve In North: Open Housing" which appeared in the August 24 issue of the Wall Street Journal. Mr. Andrews pointed out that Mr. Prugh describes the activities of Martin Luther King. . . . Martin Luther King is the same man that Mr. J. Edgar Hoover described as being 'the most notorious liar in America.' Mr. Hoover made that statement in November 1963, and as of today—August 25, 1966—Mr. Hoover has not retracted that statement. I have an idea that Mayor Daley is inclined to agree with Mr. Hoover." Mr. Andrews included Mr. Prugh's article with his remarks.

[REDACTED] advised on August 25, 1966, that the Southern Christian Leadership Conference (SCLC) demonstration for that date would be held in the area of Hanson Park in the Belmont-Cragin area of Chicago. Demonstrators were to assemble at 2:30 p.m. at 3101 West Warren Boulevard, where a meeting would be held and the group would proceed to Hanson Park. They were to wait at the Park until 6:30 p.m., and conduct a march until sunset. The line of march was to be:

North on Central to Fullerton, East on Fullerton to Laramie, South on Laramie to Palmer, West on Palmer to Lemon, North on Lemon to Fullerton, West on Fullerton to Central, thence to the Park.

It may be noted that Hanson Park has been utilized previously by the Chicago Freedom Movement (CFM) as a point of assembly prior to marches into the Belmont-Cragin area, and large groups of white persons, principally teenagers, have gathered and heckled, throwing rocks and firecrackers at demonstrators.

[REDACTED] b7(D)
[REDACTED] advised on August 28, 1966, a meeting had been held with representatives of the Commission on Human Relations (CHR), Cook County Sheriff Richard B. Ogilvie, Cicero, Illinois City Attorney Christy S. Berkos, and Dr. Alvin Pitcher of the CFM. The purpose of the meeting was to discuss a march scheduled by the CFM in Cicero, Illinois, Sunday, August 29, 1966. It was expected the marchers would approximate 1,500. The line of march, which at the time was confidential, was to be:

Assembly at 2:30 p.m. at 3101 West Warren Boulevard, Chicago, with a probable departure time approximately 3:30 p.m. to 4:00 p.m. Marchers would assemble on the South side of Cermak Road at South Kostner, then proceed on foot West on Cermak to Cicero Avenue (4800 West and located in Cicero, Illinois). The marchers would proceed South on the West side of Cicero to 24th Street, West on the North side of 24th Street to Central Avenue, North on the east side of Central to Cermak, and East on the South side of Cermak to Kostner where the group would disband. Prayer vigils were to take place at the James C. Soper Realty Office, 5003 Cermak Road, and Higgins Realty, 5001 Cermak Road, both Cicero, Illinois.

The possibility existed the marchers would be permitted to use the streets instead of parading on the sidewalks. This would be of assistance to protect the forces since the marchers would be enabled to march about twelve abreast. Pitcher presented a letter to Berkos requesting a parade permit and the indication was it would be issued.

[REDACTED] advised on August 25, 1966, that at 5:15 p.m., fifteen cars transporting approximately 90 persons moved from 3101 West Warren Boulevard, to Hanson Park, in the vicinity of Grand (2000 North) and Central (5600 West), and arrived at the Park at 5:36 p.m. without incident. Demonstrators assembled in the Park to begin their march at approximately 6:30 p.m. They were to conduct prayer vigils at the following realty offices:

Whitney and Ciancio
2551 North Laramie;

Parker - Finney
5043 West Fullerton;

Zygmunt
5200 West Fullerton

Martin Luther King was scheduled to speak at the Liberty Baptist Church, 4849 South South Park, Chicago, at 8:00 p.m. on August 25, 1966.

[REDACTED] b7(D)
[REDACTED] advised that meetings between city and CPK representatives have continued on a daily basis, and a summit meeting between them is scheduled for August 26, 1966, and would include King and Mayor Richard J. Daley, Chicago.

A subcommittee of the Chicago Committee on Race and Religion has listed eight points of agreement as follows:

CCHR will initiate an expanded program enforcing fair housing laws.

The Conference on Religion and Race would institute permanent organizations representing city, business, industry, finance, real estate, labor, and civic groups to police and promote open housing.

Equal mortgage lending service.

Federal agencies will be asked to withhold mortgage support from firms practicing discrimination.

Chicago Real Estate Board to notify members of obligations in regard to housing laws.

Chicago Housing Authority will limit the height of its housing structures to eight stories.

Relocation activities on non-discriminatory by Urban Renewal Authorities.

The Cook County Department of Public Aid will obtain housing for welfare recipients despite city racial boundaries.

The press in Chicago has speculated that acceptance of the above points at the summit meeting may lead to cancellation of the August 28, 1966, march in Cicero.

Following are the proposals for reform which were submitted by the CFM on August 17, 1966:

TO ACHIEVE JUSTICE AND MAKE CHICAGO AN OPEN CITY

Reforms Proposed by the Chicago Freedom Movement -- August 17, 1966

1. The Mayor should immediately launch a new program to enforce the Chicago Fair Housing Ordinance effectively and vigorously everywhere in the city.

Specifically, we ask as 1st steps of such a good faith program:

- a) That the city policy of equal housing opportunity and a digest of the ordinance be required to be posted on the windows of all real estate offices in the city.
- b) That the City of Chicago test real estate offices for compliance with the law all over the city and on a year-round basis.
- c) That the City of Chicago launch a program of initiating complaints against violators of the ordinance all over the city and on a year-round basis.
- d) That the city hire additional people to enforce the law and act on complaints within 48 hours as is done by other city agencies where inspection reveals violations of liquor and food laws.
- e) That the licenses of real estate brokers found in clear violation of the law be immediately suspended.
- f) That the city seek the authority for a more powerful fair housing ordinance, one which would apply to property owners as well as to real estate brokers.

2. The Chicago Real Estate Board should:

- a) Immediately withdraw its support of the suit contesting the legality of the Chicago Fair Housing Ordinance.
- b) Withdraw its opposition to the Governor's fair housing executive order and to the fair housing provision of the 1966 federal civil rights bill and persuade other realtor groups to cease their warfare against the order and the proposed federal legislation.
- c) pledge to support an effective state fair housing law, one which applies to property owners as well as brokers, in the coming session of the state legislature.

3. The Chicago Housing Authority should adopt a policy of no more high rise public housing projects in the Negro ghetto and in high density areas. All groups present should support the CHA in such a policy.
4. The Cook County Department of Public Aid should end the containment policy of seeking housing for and placing Negro families solely in ghetto communities.
5. The Urban Renewal program should adopt a policy of using its relocation services to break down segregation barriers and to promote an open city.
6. Savings and Loan Associations and other financial institutions should adopt an effective policy of equal service and lend mortgage money to qualified Negro families for purchase of housing anywhere in the metropolitan area.
7. The Federal Deposit Insurance Corporation should suspend from membership any bank or savings and loan association which is found guilty of practicing racial discrimination in the provision of financial services to the public.
8. The Association of Commerce and Industry and the Chicago Federation of Labor-Industrial Union Council should pledge support of these reforms, and initiate vigorous education programs among their members on the morality of an open city. Business and labor leaders should also use their financial resources to build integrated low and middle income housing in areas outside the ghetto.
9. Religion leaders should pledge support of these reforms and initiate vigorous programs in closed communities on the morality of an open city. Religious institutions should also pledge financial support for the construction of integrated low and middle income housing in areas outside the ghetto.

Also found below are the proposals of Ely M. Aaron,
Chairman, CCHRR, on August 17, 1966:

Proposals
of
Rev. M. Aaron, Chairman
Chicago Commission on Human Relations
August 17, 1966

I want to thank the Chicago Conference on Religion and Race for taking the initiative in convening this conference. I believe I express the appreciation of the entire community in thanking the civic, business, labor, religious, and civil rights leaders who are present today around the conference table to resolve grave issues that confront us.

To assist in the constructive resolution of these issues, I personally wish to recommend that we conscientiously consider and seek to agree on the following matters. I wish to emphasize that these are proposals aimed at uniting us in a common purpose. We seek to open up opportunities throughout the entire metropolis, city and suburb, opportunities for freedom of residence and for all the other rights which are every man's inheritance under our law.

These are the proposals:

1. Inasmuch as the Circuit Court of Cook County has upheld Chicago's Fair Housing Ordinance the Chicago Real Estate Board recommend to all brokers that they comply, in letter and spirit, with the ordinance and with Governor Kerner's recent Executive Order. It is clear that many brokers are already faithfully observing the law.

2. The Chicago Real Estate Board establish a special subcommittee to work with similar subcommittees of the Commission on Human Relations and the Chicago Conference on Religion and Race to help work out guidelines for real estate brokers to implement the provisions of the Chicago Fair Housing Ordinance.

3. The Chicago Mortgage Bankers Association and the Cook County Council of Insured Savings Associations call upon their members to make mortgage loans in the city and suburbs without regard to religion, nationality, color or race.

4. The Commission on Human Relations give top priority to the investigation and the prompt resolution of complaints filed under the Chicago Fair Housing

5. The Coordinating Council of Community Organizations, the Southern Christian Leadership Conference and other civil rights groups call an immediate moratorium on marches into the neighborhoods to avoid turning these communities into battlegrounds for extremist and racist elements who are now flocking to these neighborhoods to foment more trouble, to prevent injuries to innocent citizens and to stop aggravating further the wounds of racial division, thus making it even harder to achieve reconciliation and freedom of residence in these neighborhoods.

6. With the help of the Illinois Commission on Human Relations, suburban communities hold "summit conferences" patterned after the one being held today.

7. The various suburbs follow the positive example of fair housing leadership set by Skokie, Park Forest and other suburbs and adopt fair housing ordinances similar to the one recently adopted by Maywood.

8. The North Suburban Real Estate Board, the Evanston-North Shore Board of Realtors, the Kane County Association of Real Estate Boards, the LaGrange Real Estate Board, the Waukegan-Lake County Board of Realtors, the Southwest Suburban Board of Realtors, the Oak Park Board of Realtors, the DuPage Board of Realtors, the Northwest Suburban Board of Realtors, the West Towns Board of Realtors, and the Aurora Board of Realtors immediately recommend their broker members that they comply in letter and spirit, with any local ordinance and with Governor Kerner's recent Executive Order.

9. In the city and suburb, public, parochial and other private school systems review their curriculums in order to improve teaching of young people to respect and comply with law and to recognize the rights of others regardless of religion, race or nationality.

10. In the entire metropolitan area churches and synagogues establish new educational projects to influence adults, especially parents, to respect the human rights of all others.

11. With the help of representatives of the real estate and housing industry from the suburbs and neighborhoods of the city, the Chicago Conference on Religion and Race set up a fair housing center which would have the following objectives:

- a) provide information to anyone requesting it, on fair housing and help in finding suitable housing;
- b) interpret and support fair housing laws and ordinances;
- and c) motivate people to take advantage of equal opportunities in housing.

There is included an additional statement of the Chicago Real Estate Board before the meeting called by the Conference on Race and Religion on August 7, 1966, and the statement of the Chicago Real Estate Board before the meeting on that date.

The Chicago Real Estate Board is an organization whose members are not subject to its control, beyond forfeiture of membership. As a voluntary association, it cannot dictate policy in social matters to its members, and certainly not to the customers of its members. Each individual broker conducts his business in the framework of his role as an agent under contract and his local situation. We, of course, urge our members to obey the law, but we leave the interpretation of the Chicago Ordinance to the individual broker in consultation with his attorney.

As specific recommendations, we suggest the following.

(1) A market research organization should be employed to make an objective survey, to determine the actual attitude of the people. This survey should be undertaken on a sampling basis, limited to buildings not managed by Realtor firms.

(2) Since the problem of integration varies from community to community—we recommend that conferences be organized at the community level with local civic leaders to seek concrete action attuned to the community's needs.

ADDITIONAL STATEMENT OF THE CHICAGO REAL ESTATE BOARD BEFORE THE MEETING CALLED BY THE CONFERENCE ON RACE AND RELIGION

Wednesday, August 17, 1966

Responsive to the suggestions made during the August 17 group meeting—the Board of Directors of the Chicago Real Estate Board has authorized this statement.

1. As a leadership organization in Chicago, we state the fundamental principle that freedom of choice in housing is the right of every citizen. We believe all citizens should accept and honor that principle.

2. We reiterate our belief that progress in race relations can be produced only under a favorable climate—and that the technique of street demonstrations will harden bigotry and slow down the progress. If demonstrations do not terminate promptly we may lose control of our membership and be unable to fulfill the commitments we have here undertaken.

3. We have reflected carefully and have decided we will—as a Chicago organization—withdraw all opposition to the philosophy of open occupancy legislation at the state level—provided it is applicable to owners as well as to brokers—and we reserve the right to criticize detail as distinguished from philosophy—and we will request the state association of Real Estate Boards to do likewise but we cannot dictate to them.

4. We respond to the Human Relations Commission by stating we will effectively remind our members it is their duty to obey the Chicago Fair Housing Ordinance as their lawyers interpret its meaning. We do not accept the Governor's order as proper and will not ask compliance so long as it is under injunction. We accept the Commission's invitation to appoint a committee to help clarify the detailed application and meaning of the ordinance.

We object to the proposal by the Freedom Movement that the City or Citizens engage in testing real estate offices—this is unwarranted harassment.

5. We cannot sacrifice the principles we have espoused in our objection to the constitutionality of the Chicago ordinance—as requested by the Chicago Freedom Movement.

STATEMENT OF THE CHICAGO REAL ESTATE BOARD BEFORE THE
MEETING CALLED BY THE CONFERENCE ON RELIGION AND RACE

Wednesday, August 17, 1966

The representatives of the Chicago Real Estate Board welcome the opportunity to discuss the racial problem in Chicago, of which we are very much aware. We advised Dr. King several weeks ago that we were ready to meet with him and Mr. Raby under the proper circumstances. We consider this occasion meets this criterion as we are gathered with civic leaders to discuss a mutual problem. We are not here to negotiate as we do not feel that the problem is one that can be solved by the real estate industry on one side and the seekers of civil rights on the other side. Rather, we feel that this is a city-wide problem which should best be discussed by leaders of the city, of which we are one. We do not apologize for the course we have followed on this subject, in fact, we are proud of the fact that a number of Realtor members are Negroes. We feel that our members have taken their position in their community and done their best with this difficult problem.

We reiterate the fact that not all real estate brokers are Realtors. Only those affiliated with an association recognized by the National Association of Real Estate Boards are designated as Realtors. Our association has no direct relationship with those licensees in real estate who are not members and therefore do not necessarily adhere to our code of ethics.

To get this problem in focus, and to eliminate misunderstanding so that an effective approach can be developed, it is essential that the position of the Realtor be clearly understood. The Realtor accepting a listing from a property owner acts in the position of an agent. The Realtor does not own or control the product he offers. The relationship is the same as if the property owner had employed the Realtor to do a specific job of selling or renting his property. As a result of this agency relationship, the Realtor is bound by the conditions imposed by the property owner, written or implied. Under the law, the property owner has an individual right to sell or rent his home to whomever he chooses.

After many years of living on the firing line, Realtors have concluded that they cannot persuade the property owner, by whom they are employed, to take a particular position. Rather, they have concluded that this motivation must come from the people in the local community. When this event occurs, the Realtor will accommodate himself to this procedure and cooperate in aiding the property owner to bring about a successful conclusion.

We feel that, in this difficult and frustrating situation, it is only human nature to select someone to blame. Many people, with the very best of intentions, have erroneously attacked the real estate industry as being the cause of this problem. The more the Realtor is attacked, the more difficult becomes his job. The problem rests directly on the shoulders of the people. The Realtor, as an agent, is representing people and therefore either does what the client requests or he goes out of business.

We would like to suggest to the civil rights group that their policy in this particular respect may be in error. This particular problem is a delicate and difficult one. We feel that progress has been made by quiet persuasion. The problem will not be solved until whites voluntarily accept non-whites as neighbors, instead of fleeing as soon as a non-white moves in. It is our considered and honest opinion that the present marches are setting back the cause tremendously by developing bitterness in areas where some light was beginning to appear.

We have been asked why the real estate field has resisted the open occupancy laws. Our answer is again to emphasize the fact that the Realtor is an agent, and as such he represents the attitude and opinion of his clients; thus, he feels that it incumbent upon him as an agent to resist laws that will force individuals he serves to act contrary to their desires. We also feel that the sale of an individual home is something that should not be controlled by law, and we do not feel that an open occupancy law would solve the problem. There is abundant evidence that even with state open occupancy laws, the flight from the city by whites does not cease.

The present Chicago ordinance states that it is against the law for a real estate broker to discriminate because of race, creed or color. Does this mean that he may not accept a discriminatory listing? If it does, and if 95% of the people refuse to enter

Kerner edict apply to the broker alone and not to the property owner.

The Chicago Real Estate Board is an organization whose members are not subject to its control, beyond forfeiture of membership. As a voluntary association, it cannot dictate policy in social matters to its members, and certainly not to the customers of its members. Each individual broker conducts his business in the framework of his role as an agent under contract and his local situation. We, of course, urge our members to obey the law, but we leave the interpretation of the Chicago Ordinance to the individual broker in consultation with his attorney.

As specific recommendations, we suggest the following.

- (1) A market research organization should be employed to make an objective survey, as indicated below, to determine the actual attitude of the people. This survey should be undertaken on a sampling basis, limited to buildings not managed by Realtor firms.
- (2) Since the problem of integration varies from community to community - we recommend that conferences be organized at the community level with local civic leaders to seek concrete action attuned to the community's needs.

SUGGESTED SURVEY LETTER

Dear Citizens:

We have been engaged by some of the leaders in industry and in the religious organizations of our community to conduct an opinion survey.

Many people believe that an integrated society is desirable and that all people should have the opportunity to live wherever their capacity to pay will allow. We want to know whether you would approve carrying out that idea in the building where you live. We ask you to carefully consider the questions on the enclosed postal card - to answer them - and mail it to us.

It is not necessary that you sign your name or identify yourself but the card has been coded to identify the building where you live. We would be most appreciative if you would give us a truthful answer.

Sincerely,
A Market Research Agency

SUGGESTED SURVEY REPLY CARD

1. If a qualified Negro were to move into an apartment next to mine, I would:

- ☐ Stay here indefinitely.
- ☐ Move at next lease expiration.

2. If I had assurance that no more than 25% of the units in the building would be occupied by Negroes, I would:

- ☐ Feel more like staying on.
- ☐ Nevertheless plan to leave.

[REDACTED] Cicero, Illinois, on August 25, 1966, advised as follows:

b7(D)

The Cicero officials waived the required 30 days notice for a parade permit, and issued it allowing the CFM to utilize the entire street during their demonstration.

He indicated that General Francis P. Kane, National Guard Commander, would probably utilize 2500 National Guardsmen; the Illinois State Police would utilize 350 men; the Cook County Sheriff's Police would number 50 men; and the Cicero Police Department would provide 90 men.

The Cicero Police Department is to make all arrests after any detention by the National Guard, State or County Police, and in this connection one Cicero policeman would be in each squadrol of the Sheriff's Police.

[REDACTED] said the National Guard would have its headquarters at the parking lot of the Western Electric Company, 4600 West Cermak Road. Communications would be coordinated at that headquarters with State, County, and Cicero Police radio bands, and there would be a coordinating unit also in the headquarters of the Cicero Police to serve as a central dispatching unit.

b7(D)

He also advised that for the past twelve days, all Cicero City officials, the Cicero Police Department, and clergy in the Cicero-Berwyn area have been urging citizens to remain at home during the march, and to give no undue attention to the marchers.

He noted that rumors persist concerning the accumulation of weapons such as guns and archery sets for possible use against demonstrators. Cicero Police Department investigations have not substantiated such rumors.

[REDACTED] on August 25, 1966, advised an Agent of the Chicago Office of the Federal Bureau of Investigation (FBI) there is a fantastic number of rumors relative to guns being possessed by residents of the area.

b7(D)

[REDACTED] Cicero, according to [REDACTED] b7(c)
[REDACTED] stated at a meeting of the Rotary Club on August b7(D)
24, 1966, that rumors of people being armed are false.

The Chicago Office of the FBI on August 24, 1966, received a telephone call from an anonymous female who advised that she had received from what she termed a reliable source, a close friend, who advised that a committeeman from Cicero, Illinois, stated the Cicero Police Department is unofficially and secretly furnishing various confiscated and surplus guns to anyone desiring them. This woman refused to reveal her identity, the identity of her friend, or the committeeman making this statement.

[REDACTED] advised on August 25, 1966, that an official [REDACTED] had informed him that all archery equipment had been sold within the past week in sporting goods stores in Cicero and surrounding areas. b7(D)

[REDACTED] advised that this official said [REDACTED] expect this equipment to be used against SCLC demonstrators, however, no organized group had been identified. He said it was learned that the archery equipment might be used since the weapon can be fired without sound, and it could be used in a crowd without detecting the person firing it.

[REDACTED] also advised that Cicero City officials sent a telegram to the American Nazi Party (ANP) in Chicago notifying the ANP it would not be allowed to hold a rally in Cicero, Illinois, on August 27, 1966, as ANP had requested. b7(D)

With regard to the demonstration on August 25, 1966, in the Belmont-Cragin area, [REDACTED] advised that approximately 110 demonstrators departed Hanson Park at 6:20 p.m. on August 25, 1966, and there were approximately 50 on-lookers and no difficulty was encountered. b7(D)

[REDACTED], advised on April 25, 1966, that the march in the Belmont-Cragin area was conducted as scheduled with no incidents or arrests. The marchers departed the area at 8:25 p.m. by auto to attend a rally in the Liberty Park Baptist Church. Approximately 300 officers of the Chicago Police Department were utilized for the demonstration. It was estimated that the total number of on-lookers during the march was 400 and the people were unusually quiet and there was no heckling nor counter demonstration signs.

b7(D)

[REDACTED]
on August 25, 1966, advised that the rally by the CFM group at the Liberty Baptist Church began at 8:00 p.m. and concluded at 9:45 p.m. The attendance was approximately 2,000 persons. There were no incidents or arrests. The main speaker, Martin Luther King, urged all to continue the struggle for equal rights. Announcements were made of a rally to be held at the Stone Temple Baptist Church, Chicago, at 8:00 p.m., on August 26, 1966. The subject of the rally would be the reason for marching to Cicero and King was to be a speaker. At the August 25, 1966 rally the announcement was made that the march to Cicero, Illinois, on August 28, 1966, was to be conducted and the route of march was described. This line of march has previously been explained. It was announced that an additional realty firm would be a point for a prayer vigil and this was to be the Central Realty at 2212 South Central, Cicero, Illinois. It was also announced that the Cicero march would be led by King, Al Raby, Ralph Abernathy and Jessie Jackson.

[REDACTED] advised no information available about a CFM march on August 26, 1966, but the possibility exists that the CFM may violate the current injunction by staging an unscheduled march in the evening of August 26, 1966, in the event the results on meeting between CFM and city leaders on that date are unsatisfactory to CFM. b7(D)

[REDACTED] advised on August 25, 1966, that [REDACTED] was to have appeared at 11:00 a.m., on that date before Judge Cornelius Harrington in connection with an infringement by [REDACTED] upon the temporary injunction restraining him and his organization to a degree in demonstrations and [REDACTED] did not appear. An appearance was made for him by his attorneys [REDACTED] at 11:00 a.m., and they requested a three-week continuance. The request was denied and Judge Harrington ordered [REDACTED] to appear at 2:00 p.m. on August 25, 1966, before him. At 2:00 p.m., [REDACTED] appeared, at which time Judge Harrington continued the matter until 11:00 a.m., August 26, 1966, at which time he may take contempt action against [REDACTED] b7(D) b7(C)

[REDACTED] advised early on August 26, 1966, that he had received a telephone call from Reverend Alvin Pitcher, who stated he represented CFM and who advised that the march scheduled by CFM and SCLC on August 26, 1966, had been canceled. b7(D)

East 95th Street on the north; East 126th Street on the south;
the Calumet River on the east; South Stony Island (1800 East)

replied he had no intention of cancelling the march.

A subcommittee of the Conference called last week by the Chicago Conference on Religion and Race met on August 22, 1968, in continued negotiations in open company, and according to the "Chicago Sun-Times" August 23, 1968, the group was studying proposals made to the conference the previous week and is to report to the reconvened conference on Friday, August 23, 1968.

On August 23, 1968, [REDACTED] b7(D)
[REDACTED] b7(D)

In the 8/18/66, issue of the "Newark Evening News", a daily newspaper published in Newark, NJ, there was a news item that Dr. MARTIN LUTHER KING will be the guest speaker at a service honoring the retirement of Rev. D. C. RICE of the Union Baptist Church, Montclair, NJ, on 9/11/66, in the Montclair High School auditorium.

Mr. RICE served as an Army chaplain in the Pacific Theatre during World War II and came to Montclair after being discharged in 1946. He is a past president of the Montclair Clergy Club and is a member of the Board of Directors of the Urban League of Essex County, the Montclair YMCA and the Montclair Minister's Association, and a member of the Citizens Advisory Committee to the Montclair Planning Board. Here is just a thought to help a good man to do a better job.

How good a man does his work there is always room for improvement. I always had the greatest respect for you. I was hospitalized. This gave me considerable time to think. While there I was at all the turmoil in this country. I was happy when you shut ther King. It looks as if you have him off your back now. I long but I do believe he is our #1 enemy and communist in this . I have always wondered why he still is at large. To comfort myself I believe that you people know him and can watch his every . Should you take him into custody someone will take his place and I would like to find. Here is where I want to help. I will recommend that you appoint one man from each County or it may work out to start with one man from four or five counties. For example: Collinsville, Ill. we have both Madison and St. Clair counties in our city. We also have Bond and Clinton counties adjoining. I would advise you appoint some public spirited citizen as an officer. He may say to police this territory. This man should be close mouthed and his appointment should be on the Q.T. as the less that's known about it the better. I would say, this man further his information to your office when available. Should one write periodically it would increase the overhead of your office. May I suggest that these men be paid one dollar a year and make a complete report once a year. You may have individuals who will want large salaries. However

I believe we still have enough public spirited citizens who will except the appointment for a dollar a year and do more work than the man wanting pay. You could screen the applicant before the appointment is made. Personally I do believe you could receive much information in this manner. Your office should not be flooded as minor incidents would not be reported.

b7(c) I am a Business man being in the [REDACTED] Business in Collinsville going on my 51 st. yr. I am planning on retiring or one may say semi-retire as I must have something to do as I have been too active all my life. I was given and honerable police card. Should I be suitable I will accept an appointment.

Yours truly

Reference is made to Chicago memorandum dated August 17, 1966, captioned as above.

On August 18, 1966, [REDACTED]

[REDACTED] advised that Dr. Martin Luther King, Jr. was scheduled to address a civil rights mass meeting to be held at CFM-SCLC Action Center Number 1, 6043 South Princeton, Chicago, Illinois, at 8:00 p.m. on such date. He related that Dr. King will discuss current civil rights marches in Chicago regarding open housing and discuss the results of the "Summit" meeting held on August 17, 1966, between civil rights and community leaders. b7(D)

[REDACTED] advised that George Lincoln Rockwell, National Commander, American Nazi Party (ANP) is scheduled to arrive in Chicago on August 20, 1966 to help organize ANP activities in protesting the recent marches in Chicago by CFM and SCLC. The ANP in Chicago, according to this source, was continuing its efforts to interest people in the ideas b(1)

of such organization. He declared that the ANP continues to receive numerous telephone inquiries from Chicago residents regarding the ANP.

On August 18, 1966, this same source advised that several ANP members plan to picket the above-mentioned rally at Action Center Number 1 during the early evening hours of August 18, 1966.

A characterization of the ANP is contained in the appendix section of this memorandum.

[REDACTED] that the Chicago chapter of the National States Rights Party (NSRP) plans to hold a rally in Marquette Park, Chicago, beginning at 3:00 p.m., on August 21, 1966. The stated purpose of such rally is to arouse the interest of white Chicago residents in the purposes and activities of the NSRP and to attempt to organize white persons in opposition to integration in their respective communities. b(1)

A characterization of the NSRP is contained in the appendix section of this memorandum.

[REDACTED] advised that the Chicago Branch of the ANP will participate in the above-described rally at Marquette Park, August 21, 1966. b(1)

[REDACTED] advised on August 18, 1966, that six members of the ANP, led by Christopher Vidnjevic, Head of the Chicago ANP, picketed the Mt. Hope Baptist Church, CFM - SCLC Action Center Number 1, 6043 South Princeton, from 7:15 p.m. to 8:20 p.m., on such date. The pickets displayed signs calling for white power, and declaring that America was for whites and b7(D)

[REDACTED] Approximately 1,000 persons were in attendance at
the Mt. Hope Baptist Church.

[REDACTED] advised that a so-called b(1)
Action Committee of CFM met earlier that afternoon in order
to plan strategy for the immediate future. Such meeting
canceled plans for previously scheduled demonstrations on
August 19, 1966, and planned instead to conduct a massive
realtor testing program with some 200 CFM representatives
to visit various real estate offices in the following
sections of the city:

On the Northwest side:

Jefferson Park
Portage Park
Belmont-Cragin
Hermosa and Logan Square

On the Southwest side:

Ashburn
Chicago Lawn
Gage Park
Back of the Yards
Bridgeport

These representatives will attempt to ascertain if the
change of attitude on the part of the Chicago Board of Realtors
toward support of the principle of open occupancy is reflected
in the reaction of its member realtors in their dealings with
CFM representatives. If no change in attitude is noted by such
representatives on the part of the realtors, then demonstrations
in the white communities of Chicago will be renewed.

[REDACTED] b7(D)
[REDACTED] contacted on August 18, 1966, confirmed the above information. He feels that CFM is certain that the reception by the realtors on August 19, 1966, will be the same as it has been in the past, giving them justification for renewing and intensifying the demonstrations. He further stated that CCHR does not anticipate any problems or disorders in the various neighborhoods as a result of visits to realtors since such activity is to be conducted by small groups and on a scattered basis.

[REDACTED] b7(D)
[REDACTED] subsequently advised at 10:45 p.m., August 18, 1966, that the mass meeting at Action Center Number 1 concluded at 10:30 p.m. without incident or arrest. Al Raby, Coordinator, Coordinating Council of Community Organizations (CCCCO), announced plans to test realty companies on August 19, 1966, as described above and cancel the march previously scheduled for August 19, 1966. Raby further stated that barring a complete change of attitude on the part of such realty companies, demonstrations would be held Sunday, August 21, 1966, in the areas that were to be tested on August 19, 1966. Raby announced that there would be a subsequent mass meeting August 19, 1966, at the Warren Avenue Congregational Church, 3101 West Warren Avenue, to evaluate the results of the testing.

Reverend James Bevel and Reverend Jessie Jackson also spoke at such mass meeting and were critical of Chicago Mayor Richard Daley and branded the CCHR as a tool of the city administration. Dr. King concluded the meeting, making brief remarks which, in essence, advised that demonstrations would terminate when Chicago was an open city.

The "Chicago American" Green Streak edition, August 18, 1966, carried an article which stated in effect that the previously held "Summit" meeting between civil rights and community leaders held August 17, 1966,

**RE: DEMONSTRATIONS BY CHICAGO

in Chicago, was a "farce." The article states that the civil rights leaders never had any intention of calling off the marchers. The source credited for such article was an unidentified individual who attended the meeting. Such unidentified source stated that "Every time we'd make a concession, they'd push for something more. Suddenly, it dawned on us this whole meeting was a farce." The American's informant said King made it clear they were not prepared to give up "the only weapon they had."

[REDACTED] advised that he was aware of the above article and that his organization considered it as emanating most probably from a member of the Board of Realtors and is somewhat distorted. [REDACTED] considers that the meeting was fruitful with more progress achieved than anticipated, principally in the change of position by the Board of Realtors regarding their endorsement supporting the principle of open occupancy, a very significant concession on their part. On August 18, 1966 and August 19, 1966, the above information was provided to the following individuals:

**AMERICAN NAZI PARTY OF THE WORLD UNION OF

KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY**

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that GEORGE LINCOLN ROCKWELL believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated ROCKWELL believes this because of his success in gaining a place on the ticket in the November, 1965, gubernatorial election in the State of Virginia.

AMERICAN NAZI PARTY,
CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1966, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second source advised on January 6, 1966, that the Chicago branch of the ANP is currently located at 1314 West Ohio Street, Chicago, Illinois.

A characterization of the national organization follows.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, North Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt" reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith

APPENDIXNATIONAL STATES RIGHTS PARTY
CHICAGO, ILLINOIS

A source advised on February 8, 1966, that the Chicago Branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago Branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

RAYMOND LEO SCHULTZ, an organizer for the Chicago Branch of the NSRP, resides at 2237 North Western Avenue, Chicago.

This source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

Re: Communist Infiltration of the Southern
Christian Leadership Conference (SCLC)
Internal Security - C

A confidential source, who has furnished reliable information in the past, furnished information on August 12, 1966, that Stanley Levison and Martin Luther King, President of the Southern Christian Leadership Conference (SCLC), were in contact on that date.

Levison, in commenting on why he contacted King, said he was concerned about King's health, therefore, figured he should contact him. King said he was felled by a cold but hoped to be back on the go by August 13, 1966. He said he got sick during the SCLC Convention, which was held in Jackson, Mississippi, last week. He said the cold prevented him from attending the Convention, except for the opening session.

Levison said he was unable to attend the Convention due to pressing personal business. However, Levison did inquire if the SCLC heard the two resolutions that he drafted for the occasion. King said he took one of the resolutions and used it in his speech. In fact, according to King, he just gave the resolution to the press in advance and told them it represented what he would say when he spoke.

Re: Communist Infiltration of the SCLC
Internal Security - C

Levison said in regard to the other resolution he prepared, that "The New York Times" had reported portions of it dealing with Vietnam. Both men agreed that the Convention was given very good coverage by the press.

In reference to the resolution prepared by Levison which King used as his speech, Levison said since it dealt with non-violence he was of the opinion that a book dealing with the subject should be written. Levison said "We're" at a real turn in the movement; a lot of people, he said, are asking questions, and are drawing conclusions and switching positions. King concurred with Levison and agreed that a book should be gotten out as quickly as possible.

Levison said he was going on vacation to New Hampshire on August 13, 1966, and would take the opportunity to consider the book. Following his return next week, according to Levison, he will contact King and discuss the book in greater detail.

Another matter discussed by King and Levison was the bill owed to an advertising agency which recently ran a full page statement in "The New York Times". The bill in the amount of \$4,400 was for the statement on the SCLC's efforts in Chicago and Mississippi and Black Power. Levison said the agency had not charged their usual 15 per cent commission.

In considering the advertisement in question, Levison said he knew of one donation in the amount of \$5,000, which resulted from the appeal. He said he did not know the name of the contributor but did say the contributor lives in Pompton Lakes, New Jersey.

King said there would probably be a meeting on Monday to consider bills owed by the SCLC. In that regard, King said the SCLC had been "kind of out financially and the Convention knocked us out even more". King said he was quite worried over the SCLC's financial difficulties.

In an effort to console King, Levison said as a result of a mailing to contributors there should be funds in a few days. Levison said he forecast about 400,000 mailings during 1966, adding, however, that funds derived from SCLC mailings did not provide sufficient funds to operate the SCLC. He then expressed the opinion that fund raising affairs would have to be held in New York, New York, in order to have sufficient operating funds.

LEADERSHIP CONFERENCE (SCLC),
GAGE PARK AREA, CHICAGO, ILLINOIS
RACIAL MATTERS

Reference is made to Chicago memorandum dated August 8,
1966.

[REDACTED]
advised on August 8, 1966, that a rally would be held that date
under the sponsorship of the captioned group at 3101 West Warren
Boulevard, Chicago, Illinois. Announcement has been made of plans
to hold a rally at 7:30 PM, August 9, 1966, at the New Fellowship
Baptist Church (844 West 71st Street) at 2:00 PM, August 10, 1966.
A march was to follow that rally to an unidentified area to protest
real estate discrimination. There was also an announcement of a
mass rally at the Greater Mount Hope Baptist Church, at 6034 South
Princeton, Chicago, at 8:00 PM, August 11, 1966, where plans for a
march and vigil on August 12, 1966, are to be announced. Officials
of Southern Christian Leadership Conference (SCLC), who planned the
marches, are James Bevel, Bernard Lafayette, Al Sampson and Jesse
Jackson.

In connection with a possible march by civil rights demon-
strators into Cicero, Illinois, the weekend of August 13-14, 1966,
[REDACTED] Cicero, Illinois, advised
the Chicago Office of the Federal Bureau of Investigation on August 9,
1966, [REDACTED]

This document contains neither recommendations nor conclusions of

[REDACTED] b7(D)

His opinion as to the reaction if marchers appear in Cicero would be that residents would be orderly if he is able to show substantial police force and he believes order could be maintained. [REDACTED]

He said he was not aware of any rumors indicating violent reaction on the part of residents of Cicero if a demonstration occurs. He stated that citizens who have called regarding the march have been advised to remain in their homes and to ignore marchers if a march occurs.

[REDACTED] stated that as the result of a partial city board meeting held August 9, 1966, it was decided to waive the requirement for a permit and to allow peaceful assembly at any time.

[REDACTED] furnished information on August 9, 1966, that he had received information from [REDACTED] unknown address, Cicero, Illinois, relative to rumors that unidentified dissident white people in the area would throw dynamite at the marchers if they demonstrated in Cicero.

The "Chicago Daily News" of August 9, 1966, contained an article indicating that civil rights leaders in Chicago had planned protest marches for the current week into white suburban Cicero, Illinois, and the "Bogan" area on the Southwest Side of Chicago. The Bogan area, located south of the Chicago Lawn area, where a march was held August 5, 1966, is considered the area bounded by Western Avenue (2400 West) on the east, Cicero Avenue (4800 West) on the west, 75th Street on the north, and 87th Street on the south.

Reverend James Bevel, Aid to Doctor Martin Luther King, Jr., in the SCLC, was quoted as stating that marchers would go into Cicero and the Bogan area during the week and he called the Cicero march "a challenge." He was quoted as stating the group would go into Cicero even if residents buy guns.

The article indicated the action for this week included a march on Wednesday, August 10, 1966, at 2:00 PM from Warren Avenue Congregational Church located at 3101 West Warren Boulevard to an unannounced destination, and a rally for Thursday, August 11, 1966, at 8:00 PM at the Greater Mount Hope Baptist Church, 6034 South Princeton, Chicago.

[REDACTED]
on August 9, 1966, advised a march was scheduled into the Bogan area on August 10, 1966, from the New South Side Action Center, 6034 South Princeton.

b7(D)

[REDACTED]
[REDACTED], Cicero, advised on August 9, 1966, his group would be making a press release at 4:00 PM on the same date wherein a request would be included for placing the National Guard on a "standby alert" in Cicero in anticipation of a civil rights march which he believed could provoke violence. His opinion was that violence would erupt in the event of a march. He knew of no planned opposition, stating that it would be spontaneous on the part of a large majority of Cicero residents. He said he had attended a meeting of the Rotary International on August 9, 1966, and some unidentified local businessmen who were present were heard to talk of carrying personal firearms and they felt the time had come to use them.

[REDACTED] Berwyn, Illinois, adjacent community to Cicero, advised on August 9, 1966, he was aware of the publicized intentions of civil rights demonstrators to march in Cicero. [REDACTED]

[REDACTED]

[REDACTED]

The article in the "Chicago Daily News," mentioned previously, quoted Superintendent of Police Barloga as stating that civil rights marchers would be arrested unless they obtained a permit for a demonstration and he cited as authority a town ordinance which required anybody to apply for a permit 30 days before any march or public procession. b7(D)

[REDACTED] has advised that a decision as to the necessity for a permit will be reserved until information has been received a march has been scheduled and includes the number of marchers involved. He stated he believed the necessity for a permit would be waived should a march occur. This was subsequent to his earlier statement and after the above article appeared.

The "Chicago's American," August 9, 1966, carried a headline indicating Cook County Sheriff Richard Ogilvie was moving to stop a rights march in Cicero and he was quoted as stating he would do anything in his power to stop it. The article indicated if any effort including that by Ogilvie to stop a march was not successful, Ogilvie would appeal to the Governor of Illinois, Otto Kerner, to activate the National Guard.

[REDACTED]

The meeting included a discussion which resulted in a decision to hold a meeting August 10, 1966, between officials of the SCLC and [REDACTED] to discuss pending SCLC plans. [REDACTED] said that he believed if a march were planned for Cicero, [REDACTED] would seek an injunction to prevent a march in the county. If the injunction were denied, he believed the town of Cicero would enforce their ordinance requiring a permit to parade. b7(D)

[REDACTED]

COMMUNIST INFILTRATION - SOUTHERN
CHRISTIAN LEADERSHIP CONFERENCE (SCLC)
INTERNAL SECURITY - C

A confidential source who has furnished reliable information in the past, advised on July 24, 1966, that according to Stanley Levison, a meeting of Martin Luther King, Jr. and his SCLC advisors was to have been held on July 28 - 29, 1966, however, this meeting had been re-scheduled for the period August 1 - 2, 1966, at O'Hare Airport Inn, Chicago.

This source advised on August 1, 1966, that tickets for Levison had been obtained for travel from New York City to Chicago, on American Air Lines to enable him to be present at this meeting. Harry Wachtel, of New York, was due to accompany Levison, taking the same flight to Chicago.

On August 1, 1966, a Special Agent of the Chicago Office of the Federal Bureau of Investigation observed Stanley Levison arrive at O'Hare Airport, Chicago, where he was subsequently met by an individual identified as Junius Griffin. Levison and Griffin were observed to proceed to the O'Hare Airport Inn, where they registered as guests, utilizing reservations made there under the name of Martin Luther King, Jr. Harry Wachtel was not observed arriving at O'Hare Airport at this time.

On August 2, 1966, a Special Agent of the Chicago Office of the Federal Bureau of Investigation, observed Doctor Martin Luther King, Jr. arrive at Chicago's O'Hare Airport at 12:50 p.m. on this date. King, accompanied by a group of six other individuals, all Negro, proceeded to the O'Hare Airport Inn. Reverend James Bevel, Director, Director Action, SCLC, was observed to have arrived at the O'Hare Airport Inn at approximately 12:30 p.m. on this date.

The source referred to above, on August 2, 1966, advised that on that date Harry Wachtel was in New York City, New York, however, the source believed Wachtel might still come to Chicag. if flight arrangements from New York City can be made. 2

As of the evening of August 3, 1966, it was ascertained under suitable pretext that Stanley Levison was registered as a guest at the O'Hare Airport Inn at Chicago. As of August 5, 1966, Levison was no longer registered at the O'Hare Airport Inn.

Set forth below are characterizations of Stanley Levison and Harry Wachtel, referred to above.

**DEMONSTRATIONS BY CHICAGO
FREEDOM MOVEMENT (CFM) -
SOUTHERN CHRISTIAN LEADERSHIP
CONFERENCE (SCLC), GAGE PARK
AREA, CHICAGO, ILLINOIS
RACIAL MATTER**

On August 17, 1966, a confidential source, who has furnished reliable information in the past, advised a representative of the Federal Bureau of Investigation (FBI), in Chicago, that no marches had been scheduled by the Chicago Freedom Movement (CFM) - Southern Christian Leadership Conference (SCLC) for August 17, or August 18, 1966. The source also stated that Richard J. Daley, Mayor of Chicago and Dr. Martin Luther King, Jr. and other civic and civil rights leaders plan to have a meeting on August 17, 1966, at St. James Episcopal Cathedral, 666 North Rush Street, Chicago. The source advised the meeting was called by the Chicago Conference on Religion and Race to discuss Chicago's racial problems.

[REDACTED] advised a representative of the FBI in Chicago that a meeting between representatives of Chicago realtors and representatives of the civil rights movement was held in Chicago on August 17, 1966. [REDACTED] advised that Martin Luther King, and Al Raby, both associated with the SCLC, led the civil rights group, and that along with the Board of Realtors, Richard J. Daley, Mayor of Chicago, and various representatives of the Chicago business and religious community were present. [REDACTED] stated that Eli Aaron, Chairman of Chicago Commission on Human Relations, was present at the meeting

and introduced an eleven point resolution recommending in part that real estate brokers comply with the City of Chicago Fair Housing Ordinance, and Illinois Governor Kerner's recent executive order barring discrimination by real estate brokers in the sale or rental of housing. [REDACTED] stated that Aaron also called for an immediate moratorium on civil rights marches into hostile neighborhoods to avoid further disorders.

[REDACTED] stated that leaders representing civil rights groups introduced a nine point statement, calling in part for Mayor Daley to enforce the City of Chicago Fair Housing Ordinance, that realtors be regularly checked for compliance, that the City of Chicago initiate complaints against violators and that licenses of offenders be revoked. [REDACTED] stated that additional requests made by leaders representing civil rights groups, included changes in policies of the Chicago Housing Authority and Cook County Public Aid Department and also that the Board of Realtors drop support for a court suit contesting the legality of the City of Chicago Fair Housing Ordinance, and stop opposition to Governor Kerner's executive order. b7(D)

[REDACTED] stated that mediator of the meeting was Ben W. Heineman, Railroad Executive, and the meeting was held in the Cathedral of St. James Episcopal Church, 666 North Rush Street, Chicago, Illinois. [REDACTED] stated that the morning session of the meeting was devoted to statements regarding each group's positions and that the meeting adjourned at noon with the second session of the meeting scheduled for later in the afternoon. [REDACTED] stated that representatives of both sides commented favorably regarding the possibility of progress resulting from the meeting. [REDACTED] stated the meeting reconvened at approximately 4:00 p.m., on August 17, 1966, and terminated at approximately 9:00 p.m. that same day. [REDACTED] stated that he learned from a Chicago Commission on Human Relations representative present at the meeting that the position of the Chicago Board of Realtors was more flexible at the second meeting and that they agreed to drop vocal opposition to the City of Chicago Fair Housing Ordinance and to urge members to comply, but they did not agree to drop financial support for lawsuit contesting the legality of this ordinance and Governor Kerner's executive order.

RE: DEMONSTRATIONS BY CHICAGO
CFM - SCLC, GAGE PARK AREA,
CHICAGO, ILLINOIS

[REDACTED] stated that the meeting was cordial and the Chicago Commission on Human Relations representatives felt more was accomplished than had been anticipated. [REDACTED] stated that at 6:30 p.m., on August 17, 1966, representatives of the SCLC held a caucus to consider agreeing to a moratorium on marches, however, no decision was arrived at. [REDACTED] advised that he understands Martin Luther King is reportedly still considering the moratorium on the marches. [REDACTED] stated that no subsequent meetings have been as yet scheduled, but he feels additional meetings will be forthcoming. [REDACTED] stated that a full report of the meeting is to be made on August 18, 1966, at the Chicago Commission on Human Relations Office by representatives of that office who attended the meeting. In addition, [REDACTED] stated that Martin Luther King reportedly made a statement to the press subsequent to the meeting that there would be no march moratorium, as a result of the meeting.

On August 17, 1966, [REDACTED]

[REDACTED] advised the FBI in Chicago that information had been received that the next march planned by the Chicago Freedom Movement (CFM) - Southern Christian Leadership Conference (SCLC) was to be held on August 19, 1966, in the Bridgeport area of Chicago.

[REDACTED] advised that the Bridgeport area of Chicago is the area in which Richard J. Daley, Mayor of Chicago, resides. [REDACTED] advised that the marchers are scheduled to depart SCLC Action Center Number 1, 6043 South Princeton, at 2:30 p.m., August 19, 1966, for the march. [REDACTED] advised no other details were available at this time.

One copy of this memorandum is being furnished for the Office of the United States Attorney, Chicago, United States Secret Service, Chicago, and Region I, 113th INTC Group, Evanston, Illinois.

MARTIN LUTHER KING, JR.
SECURITY MATTER-C

Reference is made to the memorandum on captioned individual dated August 4, 1966.

Various Los Angeles news media on the evening of August 13 and on August 14, reported that Dr. Martin Luther King would not speak in Los Angeles on August 14, 1966, during the Watts Summer Festival as illness had forced him to cancel his scheduled visit to Los Angeles. It was further reported by the news media that the Reverend Ralph D. Abernathy, aide to Dr. King would appear in Dr. King's place.

The "Los Angeles Times" for August 14, 1966, Section A, page one, a daily Los Angeles metropolitan newspaper reported "Dr. Martin Luther King was to arrive (Los Angeles), Saturday (August 13) afternoon but had to cancel because of illness".

August 2, 1966

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington 25, D.C.

Dear Mr. Hoover:

On Sunday I had been in attendance at a discussion forum in our local parish hall, which seemed to confirm some of my own thinking. I would like to verify a few items which, unfortunately I did not write down, you would have information about:

- 1) Martin Luther King's second in command, Bayard Rustin, is a member of the Communist party and has gone to Russia in 1958 (?) to participate in an anti-America rally
- 2) King himself had been in attendance in a Communist training school in Tennessee, which the FBI subsequently closed as being subversive
- 3) Sen. Hawkins of the Watts District in California is also a Communist.

AUG 11 1966

Since King has been soliciting funds from so many people under the auspices of civil rights, the thought that so many right thinking people, including the Negro population, might be contributing unwittingly to the Communist party has upset me greatly.

REC 46 100-106670-2659

Also, is not the following statement smacking of anarchy?
"No matter where in the United States, whether in Chicago or Detroit, if a policeman touches a Negro, the whole United States should rise up and riot. I want to see some chaos."
Radio WCFL - Sunday, July 31 - Stokely Carmichael.

Very truly yours

RACIAL MATTER

Reference is made to Chicago memorandum of August 11, 1966, captioned as above, and the American Nazi Party (ANP), Racial Matter - Organization.

Chicago's press media, on August 11, 1966, contained a number of articles reflecting that on August 12, 1966, representatives of the CFM - SCLC would demonstrate and march in the all-white Bogan High School area of Chicago, that is generally in the vicinity of 79th Street and Pulaski Avenue (4000 West). An announcement to this effect was made at a press conference held by representatives of these civil rights groups, prior to a rally on the evening of August 11, 1966, at the Greater Mount Hope Baptist Church, 6043 South Princeton Avenue, Chicago. At this press conference, it was announced that this church would serve as the gathering place from which the demonstrators would depart for the Bogan area for approximately 3:00 to 3:30 p.m. the following day. This area is sometimes referred to by residents as the Ashburn neighborhood.

The number of demonstrators to participate in this march, together with the route to be followed and other details were not as yet finalized by the march leaders, Reverend Jesse Jackson and Reverend James Bevel. It was additionally announced that Doctor Martin Luther King, Jr., President, SCLC, had sent a

number of telegrams to Chicago's Negro aldermen, Ward Committee Men and State Representatives, urging them to participate in the August 12, 1966 march. King was then in Jackson, Mississippi attending the tenth annual conference of the SCLC.

Concerning the rally on the evening of August 11, 1966, at the Greater Mount Hope Baptist Church [REDACTED] b7(D) advised as follows:

The rally was held between the hours of 8:00 p.m. and 10:30 p.m. and was attended by approximately 500 to 700 persons. The principal speakers were the Reverend James Bevel and Reverend Jesse Jackson. March plans into the Bogan area were announced at the rally, these plans in substance identical with those made at the earlier press conference. During his remarks at the rally, Bevel was critical of Chicago's Mayor Richard J. Daley, Chicago's press, Chicago's union officials, and Archbishop Cody of the Chicago Catholic Archdiocese, all of whom in recent days made statements relative to the advisability of terminating or of temporarily halting civil rights demonstrations. Reverend Jackson additionally was critical of union officials who have made efforts to get representatives of the Chicago real estate industry and the civil rights leadership together at the conference table to discuss their differences. [REDACTED] b7(D) advised that it is his understanding that such a meeting is tentatively scheduled for August 17, 1966, when King is expected to return to Chicago. The rally itself was orderly and there were no incidents.

Re: DEMONSTRATIONS BY CHICAGO
FREEDOM MOVEMENT (CFM) - SOUTHERN
CHRISTIAN LEADERSHIP CONFERENCE
(SCLC), GAGE PARK AREA, CHICAGO, ILLINOIS

Concerning the criticism leveled by Reverend Bevel at various Chicago officials, at the August 11, 1966, rally, the "Chicago Sun Times" contained an article which quoted Reverend Bevel as stating as follows in this regard: "One must say to the mayor, to his labor leaders, to his bishop 'if you have to get off the boat, get off now, but this ship is headed for the promised land.'" Reverend Bevel stated that the stand of Archbishop Cody particularly described him as in effect telling civil rights leaders that although they are moral in their position, they should "stop being moral, because when you are moral you cause other people to be immoral." He charged that the Archbishop was in effect telling Negroes to "go back in your cubby holes and live in the slums, and by and by when you die, maybe pie in the sky..."

Concerning the march to take place on August 12, 1966, [REDACTED] furnished the following information during the morning of this date: The civil rights demonstrators who are to participate in the Bogan area demonstration will leave the Greater Mount Hope Baptist Church at 3:30 p.m. on August 12, 1966, by automobile, and will proceed South to 79th Street on the Dan Ryan Expressway. Here they will exit the Dan Ryan, proceed West on 79th Street or 79th Place to Springfield Avenue (3900 West), where their automobiles will be parked in the Bogan High School lot. b7(D)

The demonstrators, by foot, will proceed South on Pulaski Avenue (4000 West) to 85th Place, where they will proceed in groups to the following realty companies where they will demonstrate and hold prayer vigils:

1. Katschke Realty, 8359 South Pulaski
2. Reynolds Realty, 8461 South Pulaski
3. Egan Realty, 8514 South Pulaski

Re: DEMONSTRATIONS BY CHICAGO
FREEDOM MOVEMENT (CFM) - SOUTHERN

The demonstrators will return by Pulaski Avenue to their automobiles at the Bogan High School subsequent to the termination of the demonstration, will return South on Pulaski to the 87th Street entry to the Dan Ryan Expressway and will then return to the Greater Mount Hope Baptist Church.

[REDACTED] advised that the number of demonstrators who will participate in this affair is not known at the present time.

b7(D)

[REDACTED]

b7(D)

[REDACTED]

b7(D)

[REDACTED] had received an anonymous telephone call to the effect that residents of the Bogan area of Chicago were armed in anticipation of civil rights marches into this area and that these people were not afraid to use these arms if they had to. No further information had been provided during this phone call.

Pertinent portions of the above information have been provided United States Secret Service, Chicago; the Office of the United States Attorney, Chicago; and to Region I, 113th INTC Group, Evanston, Illinois. Copies of this memorandum are being provided each of these agencies.

Reference is made to Chicago memorandum, dated August 9, 1966, captioned, "Demonstrations By Chicago Freedom Movement (CFM) - Southern Christian Leadership Conference (SCLC), Gage Park Area, Chicago, Illinois," "National States Rights Party, Racial Matter - Organization," and "American Nazi Party, Racial Matter - Organization."

On August 10, 1966. [REDACTED] b7(D)

[REDACTED] stated that a rally would be held at 2:00 p.m. at the West Side Action Center (Warren Avenue Congregational Church, 3101 West Warren, Chicago, Illinois), in order to discuss the possibility of a march by SCLC to the Belmont-Cragin area of Chicago or possibly to the Chicago Real Estate Board, 105 West Madison, Chicago, Illinois. He further stated that SCLC officials were not cooperating with the Chicago Police Department relative to their recurrent march plans in that such officials were giving insufficient notice of their intentions.

[REDACTED] a mass meeting had been held at the Fellowship Baptist Church, 4543 South Princeton, Chicago, Illinois, during the evening of August 9, 1966, attended b(1)

by approximately 350 persons. The principal speaker, the Reverend Albert Sampson, SCLC staff worker, spoke at the meeting and urged young people to become involved in the non-violent movement. He also requested that those in attendance at such meeting report to 3101 West Warren at 12:00 noon, August 10, 1966, and that each individual present should bring five others for a possible march to the Bogan area.

On August 10, 1966, [REDACTED] declared that he had no information indicating that the planned march to the Bogan area had been cancelled or that the march would occur as originally scheduled.

At 3:30 p.m., August 10, 1966, [REDACTED] advised that subsequent to the meeting at 3101 West Warren, the demonstrators would depart from the church at 4:00 p.m. and stage a protest demonstration in the Bogan area of Chicago. At such time, [REDACTED] advised that approximately 100 persons were expected to participate with Reverend James Bevel, Reverend Jesse Jackson, and Reverend Albert Sampson, SCLC Officials, leading the march. The demonstration would consist of a march through the Bogan neighborhood and terminate with a prayer vigil at the T. E. Laduke Realty Company, 2621 West 79th Street, Chicago. The Chicago Police Department declared that there were approximately 400 to 500 officers on standby duty available to maintain order and police such demonstrations. b7(D)

At 5:00 p.m. on such date, Albert Raby, Coordinator, Coordinating Council of Community Organizations (CCCCO), advised the Chicago Police Department that the demonstrators originally scheduled to depart for the Bogan area would travel instead to the Chicago Civic Center by automobile, from which point the demonstrators would march to the Chicago Real Estate Board, 105 West Madison, and stage a demonstration.

The group left the Warren Avenue Congregational Church at 5:15 on such date and proceeded to the Chicago Civic Center via Monroe Street, traveling in a caravan of twenty-five automobiles. The demonstrators numbering approximately 150,

assembled at the Civic Center at 5:45 p.m. and proceeded to march through the Chicago Loop area with a police escort, arriving at the Chicago Real Estate Board at 6:00 p.m. on such date. The demonstrators increased to approximately 300 persons at the Chicago Real Estate Board and remained at such location until 7:00 p.m. when the group marched back to the Civic Center, listened to Reverend Jesse Jackson, who delivered a short address protesting the opposition by the Chicago Real Estate Board to open occupancy. The demonstration was peaceful and that there were no incidents or arrests.

The "Chicago Defender", a south side Negro newspaper, carried an article in its August 8, 1966, edition on page 3, column 1, captioned "Marching as to War..." "Nazi Organizing 'Defense' Group in White Gage Park" "Group Seeks to 'Protect' Neighborhood." It related that the American Nazi Party (ANP) is trying to organize a white self defense organization in the same neighborhood where the SCLC organization conducted a march on August 5, 1966. The article quoted Ericka Himmler, described as a Party official, as saying "This organization (the White Guard) is intended for self defense. We are not out to attack anyone, but to defend ourselves, our families and our neighborhoods." She stated that armed Party members would circulate throughout the Gage Park area August 14, 1966, distributing literature about the White Guard. "In areas like this", Miss Himmler said, "we find that there are people who are generally sympathetic to our beliefs and will receive this literature favorably."

She said new recruits would carry arms but only for use in self defense.

On the back of coupons to be handed out in the neighborhood would read the following:

"Yes, I'll fight! If the blacks attack our area and overwhelm our police, I'll fight."

C [REDACTED] Barbara Warren, also known as Ericka Himmler, is a member of the Chicago Branch of the American Nazi Party.

C [REDACTED] who are familiar with activities of the ANP in the Chicago, Illinois, area advised that they had learned that ANP members and sympathizers have distributed ANP literature at recent civil rights demonstrations in Chicago. They further stated that there has been no indication the ANP has had any success in organizing a "White Guard" or any other armed or similar group as referred to above. These sources added that the

ANP in Chicago has received numerous telephone and mail inquiries concerning the purpose of the ANP during the past week. One ANP member stated they have not had any success in securing financial support from individuals making such inquiries concerning the ANP.

A characterization of the ANP is contained in the appendix section of this memorandum.

On August 11, 1966, [REDACTED] b7(D)

[REDACTED] advised that he has no information at this time relative to previously announced SCLC plans to march in the Bogan area of Chicago and the Cicero, Illinois area. Nathan noted that Chicago newspapers announced current plans for marches to such areas had been canceled and that this probably represented the decision of SCLC officials at this time. He stated that the "Chicago Tribune" August 11, 1966, morning edition, accurately reported the situation when it revealed that Sheriff Richard B. Ogilvie, Cook County, William H. Morris, State Police Superintendent, and Albert Raby, Coordinator, CCCO, had met at his office August 10, 1966, and reached an agreement by which Raby will give Ogilvie seven days notice before marching into Cicero. b(1)

[REDACTED] that Reverend James Bevel, SCLC official, announced there would be a mass meeting on such date at 8:00 PM at 60th Place and Princeton at which time the plans for the weekend would be announced.

AMERICAN NAZI PARTY
CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1962, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

 that
the Chicago branch of the ANP is currently located at 1314 West Ohio Street, Chicago, Illinois.

A characterization of the national organization follows.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World", copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader", a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that GEORGE LINCOLN ROCKWELL believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated ROCKWELL believes this because of his success in gaining a place on the ticket in the November, 1965, gubernatorial election in the State of Virginia.

while in Chicago Carmichael is to be escorted by members of the DDJ. Carmichael is to hold a meeting at the United Packinghouse Workers Hall this evening, where members of the DDJ are to be present. The source could furnish no additional information.

[REDACTED] ^c b1
Stokely Carmichael, national chairman of SNCC, is in Chicago this date, and plans to meet in the very near future with Elijah Muhammad, Chicago based leader of the Nation of Islam (NOI), for purposes of discussing ways their respective organizations might work together. Carmichael revealed his intentions to meet Muhammad during a video-taping session for "Kupa Show" which is presented on channel 7, ABC-TV, Chicago. The source stated Carmichael is presently on a speaking tour defining the term "black power", and how it relates to the future of the Negro. Carmichael emphasized at this session that SNCC has not called for "separatism" but that he did not want SNCC to join the mainstream of American society "to join the mainstream is to become white".

A characterization of the NOI will be found in later pages. Sources utilized therein are all reliable.

as follows concerning a SNCC sponsored meeting at the United Packinghouse Workers Hall, 4859 South Wabash, Chicago, on this date:

The meeting began at approximately 8:45 p.m. with a packed house, who paid \$2.00 for admission. The audience was mostly Negro and included adults and youths.

RE: STOKELY CARMICHAEL

The source recognized the following:

Chester Robinson, head of the West Side Organization, Chicago;

Dick Gregory, entertainer;

Lawrence Landry, national and Chicago chairman of the organization ACT;

Lou House, local radio announcer and disc jockey who acted as the master of ceremonies for the meeting

Also present were four members of the DDJ, two stood on the platform and two acted as floor guards. They were not identified by name.

Carmichael, the main speaker, proclaimed his pride in being black, and called for Chicago youths to end fighting among themselves. He praised 'Black Muslims' and stated SNCC and the Muslims should become better acquainted. Concerning Elijah Muhammad, Carmichael lauded him as a leader of a black race of people, and his followers are true Muslims not 'Black Muslims' as labeled by the white man. He stressed that he and SNCC would become better acquainted with the Muslims.

In summary, Carmichael's speech and other speeches centered around an explanation of the term "black power", and why Negroes needed black power. Carmichael pointed out the need for black power is generated by injustices and oppressions brought to bear on the black man by society.

Lawrence Landry, another speaker, spoke briefly on the Negroes' plight in Chicago. He expressed accord with Stokely's idea of the Negroes need for black power.

RE: STOKELY CARMICHAEL

Another speaker, Dick Gregory, during his speech read a writing which indicated injustices befalling Negroes today would be reversed and befall the white man one day soon.

Gregory also mentioned recent Chicago rioting directly affected the stock market. In explanation, he stated that grocers in the riot area instead of ordering 40 cans of beans, now they order two for he (the grocer) knows not when the Negro may strike again.

The source pointed out during all speeches there was no mention of national or Chicago SNCC's future plans.

To the best of source's recollection, the words civil rights were not used during the entire meeting, however, appeal was continuously made for a "black power" movement on a nation wide basis.

It was also noted by the source that seven or eight unidentified teenage Negro youths, typical of Chicago's youth gang members, continually applauded and spoke out in agreement with all speakers.

Among other guests, the following were related to have been present: Juan Stokely Carmichael, accompanied by two Negro males and one Negro female, who came to Chicago with him. Fats LNU Negro male, approximately 41 years of age and admitted member of the DDJ. Brenda McIntire and her sister, McIntire's affiliated with Westside ACT, Jimmy Nylon, also associated with Westside ACT, William "Willie" Hayman, also known as Billy, associated with Westside ACT. The source understands the party was mostly social in nature. Landry attempted to explain to Carmichael what happened on Chicago's Westside during the recent riots in Chicago. However, Carmichael, as a result of consuming alcoholic beverages, became slightly inebriated and not too attentive.

The source learned that Carmichael was still present in Landry's home at 1:00 a.m., June 29, 1966.

The Chicago "Sun Times" newspaper, Friday, July 29, 1966, issue carried an article on Page 4, entitled "SNCC Head Plans Muslim Contact" with subtitle "Carmichael, Dr. King Meet". This article is set forth verbatim:

"Stokely Carmichael, national chairman of the Student Non-violent Co-ordinating Committee, moved Thursday to get a wide range of Negro leadership to attend a Labor Day civil rights conference in Washington.

"Carmichael met here for half an hour with Dr. Martin Luther King Jr. and other representatives of the latter's Southern Christian Leadership Conference. Carmichael said he also was seeking a meeting 'in the very near future' with Elijah Muhammad, leader of the Black Muslims.

"Dr. King Undecided

"After the meeting with Dr. King, Carmichael said the Nobel Peace Prize winner had agreed to attend the Washington conference, but Dr. King later said he had not yet accepted.

"'I will have to take it up with my board,' Dr. King said. 'If the meeting came about, it would have to be a united effort.'

"Carmichael's meeting with Dr. King took place at the offices of the Co-ordinating Council of Community Organizations. When he was asked what had gone on, Carmichael told a reporter: 'That meeting was not public.'

"Although the Black Muslims have been characterized as an anti-white 'hate' group seeking an independent, all-Negro nation, Carmichael said he would try to discuss ways in which his group and the Muslims could work together.

'The Fact Is...'

"'The press tells us 'they're violent; they're black nationalist,' Carmichael said referring to the Muslims, 'but the fact is that the Honorable Elijah Muhammad is the leader of a major organization of black people and I want us to talk to him directly.'

"Carmichael revealed his plans to approach Muhammad during a taping session for Kup's Show on Channel 7, ABC-TV.

"Carmichael and U.S. Rep. Adam Clayton Powell (D-N.Y.) announced the prospective Labor Day weekend meeting Wednesday at a press conference in Washington.

"Carmichael said 300 to 500 persons would be invited to the meeting, including such 'conservative' Negroes as the Rev. J. H. Jackson, president of the National Baptist Convention, and U.S. Rep. William L. Dawson (Ill.), Democratic organization leader on Chicago's South Side.

"Speaks Here Twice

"Carmichael spoke at two meetings in the Chicago area Thursday. He is on a nation-wide lecture tour.

"One of the meetings, in the Orrington Hotel in Evanston, drew about 100 persons, most of them white, while an evening meeting at the United Packinghouse Workers union hall, 4859 S. Wabash, drew a mostly Negro audience of more than 1,000.

"Carmichael was cheered repeatedly at the evening meeting. He called upon Negroes to 'understand the lies this country has spread about black people. We have to set the record straight.'

"A Hard Way"

"Negroes are told, he said, that 'if you work hard and sweat, you'll be a success. But you know that if we got what we deserve for working and sweating, we'd run the country.'

RE: STOKELY CARMICHAEL

"'We work hard--the white man has us pick his cotton for \$3 a day, wash his dishes, dig his ditches, be porters in his banks and run his elevators for him--and all we get is a hard way to go,' Carmichael said.

"'They oppress us because we're black and we're going to use our color to get out of the trick bag they put us in. You've got to be proud of being black.'

"During his speech, some members of Carmichael's audience shouted, 'Black power, black power.'

"Slogan Out Of the South.

"Carmichael first used that slogan in Mississippi, and it has become widely--and controversially--associated with Carmichael and the organization he heads.

"Carmichael called on Negroes 'to build a movement based on the color of our skins to free us from our oppressors.'

"He said, 'We've got to build internal strength so that if they touch one black man, taking his pregnant wife to a hospital in Watts, touch one black man in Mississippi, or arrest one black man who rebels in the ghetto and charge him with treason, we're going to move to disrupt this country.'

"'What's going on in the cities of the urban North is not rioting, it's rebellion. They keep talking about extremists... the extremists are the white people who are forcing us to live the way we live.'

"'We don't have to obey any law we didn't have a part in making, especially if it keeps us down. We have every right to break it.'

"'Black Mercenaries'

~~CONFIDENTIAL~~

RE: STOKELY CARMICHAEL

"He accused Negroes who serve in the United States armed forces of being 'black mercenaries--people who fight for a country and do not enjoy the rights of that country.

"'Black people are off fighting for the right to vote for people in Viet Nam, but when they come back they haven't got the right to vote in Louisiana, Mississippi, Texas Georgia, Alabama and Washington, D.C.

"'A black mercenary goes to Viet Nam and gets shot and when they bring him home they won't bury him in his own home town.'

"'We've got to get the strength so when they ask us to fight their war, we can say, 'Hell, no.'"

"On the subject of non-violence, which has been extensively debated since the 'black power' slogan was uttered, Carmichael said:

"'We've got to get nonviolent among ourselves first. We've got to move so we don't cut each other up on Friday nights. We've got to say to our young people, 'You're shooting and cutting up the wrong people.'"

The Chicago "Tribune" newspaper, July 29, 1966, issue carried an article on Page 9, Section 1, entitled "Defends Black Power Slogan", which is set forth verbatim as it appeared:

"Parley to Define It, Civil Rights Leader Says

"The slogan 'black power' is a concern only of the Negro and only he has a right to define it, Stokely Carmichael, national chairman of the Student Nonviolent Coordinating committee, said here yesterday in announcing a national conference to define the term and form a coalition of civil rights leaders.

leaders to be held in Washington, D.C., over the Labor day week-end, Sept. 3 thru 5.

"The white press should not attempt to define the term," said Carmichael. 'It is a term for the black people alone.' He then took a swipe at Sen. Robert Kennedy (D., N. Y.) by calling him 'presumptuous' for commenting on the slogan.

"Assails City Officials

"Later in the day, in a speech sponsored by the Chicago chapter of S.N.C.C. in the Orrington hotel, Evanston, Carmichael assailed Mayor Daley, Schools Supt. Benjamin Willis, and James Redmond, Willis' successor.

"Willis didn't meet our needs, and the good Mr. Daley said he would wait until he was good and ready before replacing Willis," Carmichael told the 125 Negroes and whites in the audience. 'Then he names somebody from New Orleans' (Redmond).

"Black Muslims Invited

"Carmichael said the conference in Washington was worked out at a meeting between Rep. Adam Clayton Powell (D., N. Y.) and himself. He said some 300 to 400 civil rights leaders will be invited including the Rev. Martin Luther King; Floyd McKissick, chairman of the Congress of Racial Equality; Elijah Muhammad, leader of the Black Muslims; and the Rev. Joseph H. Jackson, leader of the National Baptist convention.

"He defined 'black power' as 'black people getting together and forming political and social forces to express their needs.'

"Recent riots in Chicago, Cleveland, New York, and elsewhere were actually rebellions by exploited Negroes, he said."

POSSIBLE RACIAL VIOLENCE
READING, PA.

[REDACTED] advised nothing has been heard in Reading, Pa., to indicate any riots or violence and in effect Negroes are doing better every day in Reading and he doubts they will join in any violence or rioting.

b7(D)

[REDACTED] advised that during the past week there have been all sorts of rumors springing up in the area. One story had Negroes drilling in a field. This was checked and found to be the colored drill team of the VFW. Another story was that CORE was opening an office in Reading and putting a local man named DIGGS in charge of it. This was checked and could not in any way be confirmed. Another story had a busload of Negroes outside of Reading. This turned out to be a group of migrant farm workers waiting for a bus. Other unconfirmed rumors are present as to a demonstration the weekend of August 13-14, 1966. Busloads of Negroes are coming from Philadelphia, etc.

[REDACTED] advised the police have checked and are keeping a close check and contact with Negro leaders and sources and none of the stories have any foundation or fact. He likens the situation to that of last summer when the same situation prevailed in Reading, Pa., relative to rumors and feels same generated by persons reading about riots in other cities and talking about them and wondering if they could happen in Reading.

b7(D)

[REDACTED] advised Pennsylvania State Police received anonymous call on August 8, 1966, stating that there was to be a demonstration that night. Immediate contact with their sources resulted in being advised same an unfounded rumor. [REDACTED] stated same unfounded rumor exists relative to demonstration supposed to occur the weekend of August 13-14, 1966. The only demonstration known scheduled at Reading, Pa., is an all-American rally of the Berks County Committee for a Public Rally in support of the National effort in Vietnam on

RE: SCHEDULED APPEARANCE OF DR. MARTIN LUTHER
KING, JR., AND STREET WALK OF UNITED KLANS
OF AMERICA, INCORPORATED, KNIGHTS OF THE
KU KLUX KLAN, RALEIGH, NORTH CAROLINA,
JULY 31, 1966
RACIAL MATTERS

Reference is made to memoranda submitted at
Charlotte, North Carolina, on July 26, 1966

On July 31, 1966, [REDACTED]

[REDACTED] advised
that the United Klans of America, Incorporated, Knights
of the Ku Klux Klan, held a street walk, as scheduled,
on that date, beginning at approximately 2:15 p.m.
The marchers walked from the Raleigh Memorial Auditorium
area to Nash Square, a small park across the street from
the Raleigh Municipal Building. There were approximately
1,500 to 2,000 participants in the march, with approximately
40 per cent of the marchers in some form of Klan dress.

[REDACTED] stated that at Nash Square the Klanspeople heard
several speakers, including J. R. JONES, Grand Dragon
of North Carolina, and Reverend GEORGE DORSETT, an
Imperial Officer of the Klan. Following the speeches,
the marchers walked passed the capitol building,
thereafter returning to the Memorial Auditorium area,
where they dispersed. He estimated the number of
persons watching the march at 4,000 to 5,000.

[REDACTED] stated there were several minor
incidents in connection with the street walk. He stated
that a small group of Negro youths were chased from
Nash Square by the Klanspeople upon the Klan's arrival
at the square. These Negroes, however, made no attempt
to re-enter the square area.

SCHEDULED APPEARANCE OF DR. MARTIN LUTHER
KING, JR., AND STREET WALK OF UNITED KLANS
OF AMERICA, INCORPORATED, KNIGHTS OF THE
KU KLUX KLAN, RALEIGH, NORTH CAROLINA,
JULY 31, 1966

[REDACTED] stated that a white youth, name not known, claimed he had been involved in a scuffle in Nash Square and subsequently lost his car keys. This unknown individual, however, waited until the Klanspeople left the square before returning to look for his keys.

[REDACTED] stated that, in addition, there were several minor incidents involving the heckling of the Klan marchers, but there were no arrests made as a result of any of these incidents.

On July 31, 1966, [REDACTED] advised that there were 1,700 marchers in the Klan street walk held in Raleigh that date.

On July 31, 1966, [REDACTED] advised that Dr. MARTIN LUTHER KING, JR., appeared as scheduled at the Reynolds Coliseum on the campus of North Carolina State University at Raleigh that date. [REDACTED] estimated the crowd at approximately 3,800 persons, of whom one-third was Caucasian. He advised there were no incidents of any kind in connection with the appearance of Dr. KING at Reynolds Coliseum.

A characterization of the United Klans of America, Incorporated, Knights of the Ku Klux Klan (UKA), is attached as an appendix to this memorandum.

b7(D)

UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute, and the United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, the Albion Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHERMAN, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

The second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (NORTH CAROLINA)
(UNITED KLANS)

On August 17, 1964, a source advised that the North Carolina organization of United Klans of America, Inc., Knights of the Ku Klux Klan, became affiliated with the national organization of the same group in the spring of 1961. The State Headquarters are at the residence of North Carolina Grand Dragon PAUL ROBERTSON JONES, Granite Quarry, North Carolina, who is subordinate to the national organization with headquarters in Tuscaloosa, Alabama.

The organization in North Carolina has the same aims and objectives as the parent group; that is, advocacy of segregation of the races and white supremacy.

On August 4, 1965, the same source advised that the status, leadership, and affiliation of the North Carolina organization have not changed.

MARTIN LUTHER KING, JR.
SECURITY MATTER - C

The following information was furnished by source, with whom insufficient contact has been had to determine his reliability but who is active in civil rights and/or black nationalist activity in the Los Angeles area, on August 2, 1966.

Martin Luther King, Jr. is scheduled to speak in Los Angeles on August 14, 1966 during the Watts Summer Festival to be held in the Watts section of Los Angeles August 12 to 14, 1966. This festival is in commemoration of the first anniversary of the August, 1965 Los Angeles riot, commonly referred to as the Watts riot, the area of Los Angeles in which the riot centered. Most of the activity in connection with the festival will be held at Will Rogers Park, a public park at 103 Street and Central Avenue, Los Angeles, in the heart of the Watts area. King will presumably speak at Will Rogers Park on August 14, 1966.

Source stated that there has been some opposition to having any "outside" Negro leaders participate in the festival but present plans call for King to appear and speak on August 14th.

Source stated that the invitation was extended to King by the Opportunities Industrialization Center in Watts, a job training program operated by a group of Negro ministers in Los Angeles.

RACIAL MATTER

On July 25, 1966, a confidential source, whose reliability is not known due to limited contact, advised that a new organization, Women Mobilized for Change, has been organized in the past week and it is to be headed by Mrs. Martin Luther King. The source advised that plans to finalize this organization were to be made at 11:30 a.m., on July 27, 1966, at the Young Women's Christian Association (YWCA) in the Loop, 59 East Monroe Street, Chicago, Illinois. Following this meeting, it is anticipated that the group will march from the YWCA to the City Hall, where they plan to hold a silent vigil. The source reported that the vigil was to take place at 1 p.m. at the City Hall in Chicago.

[REDACTED]

advised that approximately 150 women associated with a newly formed organization known as Women Mobilized for Change, arrived at the Chicago Civic Center Plaza at 11:30 a.m. on that date. A delegation of 20 women from this organization planned to meet with Mayor Richard J. Daley of Chicago to encourage Daley and city officials to accede by peaceful means to Martin Luther King's program for a racially open city. [REDACTED] advised that the demonstrators were at that time continuing the silent vigil and no signs were present. The demonstrators consisted of suburban and inter city women, both Negro and white, from religious, civic, human relations, educational, and social groups, who are concerned about

the lack of action on the part of city officials concerning the non-violent civil rights movement being conducted by Martin Luther King.

[REDACTED] advised that the silent vigil conducted in the vicinity of the Chicago City Hall ended at approximately 1:45 p.m. [REDACTED] advised that the delegation of 20 women from this organization met with Mayor Richard J. Daley for the purposes set out above. This delegation departed the mayor's office at approximately 1:45 p.m. and the demonstrators then dispersed. The demonstration was peaceful, no incidents or arrests occurred.

SUBJECT: GOVERNOR OTTO KERNER, JR. (D. - ILLINOIS)
REQUEST FOR INFORMATION CONCERNING
DR. MARTIN LUTHER KING *W76 B. P. H.*

At 9:30 a.m. on 7/20/66, by referral from the Director's Office, Bishop in my office received a telephone call from Governor Kerner, who stated he was in Washington and was leaving this afternoon to return to Springfield, Illinois. Governor Kerner advised that he has been informed that recently several Chicago daily newspapers carried stories to the effect that the Bureau was in possession of information concerning meetings which Dr. Martin Luther King was holding with young "hoodlum" gangs in Chicago.

Governor Kerner was not aware of the identity of the newspapers or the dates on which these stories were carried in them. He stated that he would be extremely interested in receiving from the Bureau any information which we might have along this line, in connection with the race riots in Chicago, but advised that he is aware that this is extremely nebulous information. He stated that, on his return to Springfield, he would have the particular news articles located and make them available to SAC Gebhardt, Springfield Office, so that the Bureau would be aware of what data the papers are alleging the Bureau has in its possession concerning these meetings of Dr. King.

It has been determined from the Domestic Intelligence Division that Jim Bevel, the representative of the Southern Christian Leadership Conference (Martin Luther King's group) in Chicago recently held a meeting with a Negro youth street gang known as the "Blackstone Rangers," at which time he ran off for them a film of the Watts riot. His alleged purpose in doing this was to convince them of how horrible the Watts situation had been and to convince them that nonviolence was the best technique to utilize in fighting racial discrimination. It is very possible that Bevel advised the Chicago papers that he had taken this action and that he was advising the FBI that such action had been taken.

Re: GOVERNOR OTTO KERNER, JR.

DATA IN BUREAU FILES:

Our files reflect that our relations with Governor Kerner have been generally cordial. He was formerly U. S. Attorney for the Northern District of Illinois and exhibited a cooperative attitude toward the Bureau. As Governor he has also exhibited a friendly attitude toward the Bureau.

ACTION TAKEN:

At 10:10 a.m., 7/20/66, Bishop telephonically advised SAC Gebhardt of the contact by Governor Kerner with the Bureau and was notified that Governor Kerner would probably be in touch with him on July 21st to exhibit the newspaper clippings in question. Gebhardt was instructed to contact the Chicago Office after he was contacted by Governor Kerner to determine what data that office had in its possession concerning the meeting of Jim Bevel with the "Blackstone Rangers" and thereafter to telephonically contact the Bureau for approval as to what information concerning this he may be able to furnish Governor Kerner.

None. For information.

King said he was staying at the New York Hilton Hotel, New York City, having arrived at about 2:00 a.m. King said he had appeared on the "Today Show" (morning television show on National Broadcasting Company) thus accounting for his early arrival in New York.

King told Levison the meeting (SCLC's American Foundation for Non-Violence) would be held in the Gibson Suite, New York Hilton Hotel, New York City, on July 26, 1966, and asked Levison to attend. Clarence Jones, Harry Wachtel and Bayard Rustin would be in attendance, King said.

In "The Saturday Evening Post", issue of July 11-18, 1964, page 76, Bayard Rustin is the subject of a feature article captioned "The Lone Wolf of Civil Rights". In it, Rustin is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party". Furthermore, the article reports that during his first years in New York, Rustin gave most of his earnings to the "Party". He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker", February 11, 1957, page 1 column 2, reported that Bayard Rustin, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America (CP, USA), held in New York City, on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.
